Marathon Ashland Pipe Line, LLC Bridgeport, IL; Notice of Negative Determination of Reconsideration on Remand

The United States Court of International Trade (USCIT) granted the Secretary of Labor's motion for a voluntary remand for further investigation in Marathon Ashland Pipe Line LLC v. Alexis Herman U.S. Secretary of Labor, No. 00–04–00171.

The Department's initial denial for the workers transporting crude oil and petroleum products at Marathon Ashland Pipe Line, LLC, Bridgeport, Illinois, issued on December 2, 1999, and published in the **Federal Register** on December 28, 1999 (64 FR 72691), was based on the finding that the group eligibility requirements of section 222 of the Trade Act of 1974, as amended, were not met.

The petitioners request for reconsideration resulted in a negative determination regarding the application which was issued on February 11, 2000, and was published in the **Federal Register** on February 22, 2000 (64 FR 8743). The Department's findings affirmed that the workers were providing a service and were not producing an article.

On remand, in order to determine if the worker group supported crude oil production of the parent company, the Department contacted officials of Marathon Ashland Pipe Line LLC, to obtain additional information regarding the transportation of articles produced by the parent company, Marathon Oil Company, Inc. The investigation on remand revealed that in 1997, 1998 and in the January through March months of 1998 and 1999, Marathon Ashland Pipe Line Company did not transport via pipeline any articles produced by the parent company, Marathon Oil Company, Inc.

Investigation findings on remand show that in 1997, the parent company purchased crude oil at the lease (Illinois Basin) that was transported by Marathon Pipe Line Company. In 1998, Marathon Ashland Petroleum LLC was formed and it purchased crude from the lease which it transported via the pipe line. In 1999, Marathon Ashland Petroleum LLC did not purchase from the lease.

Conclusion

After reconsideration on remand, I affirm the original notice of negative determination of eligibility to apply for adjustment assistance for workers and former workers of Marathon Ashland Pipe Line, LLC, Bridgeport, Illinois.

Signed at Washington, DC this 20th day of August 2001.

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.

Neles Automation USA, Inc., Metso Automation USA, Inc., Houston Delivery Center, Houston, TX; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 22, 2001, applicable to workers of Neles Automation USA, Inc., Houston Delivery Center, Houston, Texas. The notice was published in the **Federal Register** on September 11, 2001 (66 FR 47242).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of industrial valves and controls (ball valves and butterfly valves). New information shows that Metso Automation USA, Inc. is the parent firm of Neles Automation USA, Inc., Houston Delivery Center, Houston, Texas.

Information also shows that some workers separated from employment at the subject firm had their wages reported under a separate employment insurance (UI) tax account for Metso Automation USA, Inc.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Neles Automation USA, Inc., Houston Delivery Center, Houston, Texas who were adversely affected by increased imports.

The amended notice applicable to TA–W–39,730 is hereby issued as follows:

All workers of Neles Automation USA, Inc., Metso Automation USA, Inc., Houston Delivery Center, Houston, Texas who became totally or partially separated from employment on or after July 13, 2000, through August 22, 2003, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC this 28th day of September, 2001.

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.

Rockwell Collins Passenger Systems Irvine, CA and Rockwell Collins Passenger Systems Pomona, CA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility To Apply for Worker Adjustment Assistance on July 16, 2001, applicable to workers of Rockwell Collins, Passenger Systems, located in Irvine and Pomona, California. The notice was published in the **Federal Register** on August 6, 2001 (66 FR 41053).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The company reports that Rockwell Collins produces more that one in-flight entertainment system. Review of the investigation file shows that 8.6" Boeing retract for PAVES in-flight entertainment system was the only article produced at the Passenger Systems Division transferred to a foreign country and being imported by the company.

The intent of the Department's certification is to include only those workers of Rockwell Collins, Passenger Systems, Irvine and Pomona, California, adversely affected by increases in imports. Accordingly, the Department is amending the certification to limit the worker group coverage to those engaged in activities related to the production of
