

(b) Potential effects to greater sage-grouse posed by the proximity to active sage-grouse leks.

(c) Potential effects to viewshed in and around areas of Visual Resources Management Classes III and IV.

(d) Potential effects to wild horses including loss of habitat and mortality from vehicles on newly created roads.

(e) Potential impacts to air quality created by the initiation of mining at the Pan Mine Project. This would increase air pollution in the area.

(f) Potential effects to recreational use including loss of access and hunting areas. Recreationists using the 1913 alternative route of the Lincoln Highway might lose use of this route.

The BLM will use the NEPA public comment process to help fulfill the public involvement requirements of Section 106 of the National Historic Preservation Act (16 U.S.C. 470f) as provided for in 36 CFR 800.2(d)(3). Native American Tribal consultations will be conducted in accordance with policy, and Tribal concerns, including impacts on Indian trust assets, will be given due consideration. Federal, state, and local agencies, along with other stakeholders that may be interested or affected by the BLM's decision on this project are invited to participate in the scoping process and, if eligible, may request or be requested by the BLM to participate as a cooperating agency.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
