

requires that all national securities exchanges, national securities associations, registered clearing agencies, and the Municipal Securities Rulemaking Board keep on file for a period of five years, two years in an accessible place, all documents that they make or receive respecting their self-regulatory activities, and that such documents be available for examination by the Commission.

The Commission staff estimates that the average number of hours necessary for compliance with the requirements of Rule 17a-1 is 50 hours per year. There are 22 entities required to comply with the rule: 9 national securities exchanges, 1 national securities association, 11 registered clearing agencies, and the Municipal Securities Rulemaking Board. In addition, 3 national securities exchanges notice-registered pursuant to Section 6(g) of the Act are required to preserve records of determinations made under Rule 3a55-1, which the Commission staff estimates will take 1 hour per exchange, for a total of 3 hours. Accordingly, the Commission staff estimates that the total number of hours necessary to comply with the requirements of Rule 17a-1 is 1,103 hours. The average cost per hour is \$50. Therefore, the total cost of compliance for the respondents is \$55,150.

Rule 17a-1 does not assure confidentiality for the records maintained pursuant to the rule. The records required by Rule 17a-1 are available only for examination by the Commission staff, state securities authorities and the self-regulatory organizations. Subject to the provisions of the Freedom of Information Act, 5 U.S.C. 522, and the Commission's rules thereunder (17 CFR 200.80(b)(4)(iii)), the Commission does not generally publish or make available information contained in any reports, summaries, analyses, letters, or memoranda arising out of, in anticipation of, or in connection with an examination or inspection of the books and records of any person or any other investigation. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Submission for OMB Review; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension

Rule 6h-1, SEC File No. 270-497, OMB Control No. 3235-0555.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995,¹ the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The Securities Exchange Act of 1934 ("Act") requires national securities exchanges and national securities associations that trade security futures products to establish listing standards that, among other things, require: (1) Trading in such products not be readily susceptible to price manipulation; and (2) the market trading a security futures product has in place procedures to coordinate trading halts with the listing market for the security or securities underlying the security futures product. Rule 6h-1 under the Act² implements these statutory requirements and requires national securities exchanges and national securities associations that trade security futures products to: (1) Require cash-settled security futures products to settle based on an opening price rather than a closing price; and (2) require the exchange or association to halt trading in a security futures product for as long as trading in the underlying security, or trading in 30% of the underlying securities, is halted on the listing market.

It is estimated that approximately 17 respondents will incur an average burden of 10 hours per year to comply with this rule, for a total burden of 170 hours. At an average cost per hour of

approximately \$197, the resultant total cost of compliance for the respondents is \$33,490 per year (17 entities × 10 hours/entity × \$197/hour = \$33,490).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number. Written comments regarding the above information should be directed to the following persons: (a) Desk Officer for the Securities and Exchange Commission by sending an email to david_rostker@omb.eop.gov, and (b) R.
