

modify, obtain, or otherwise support any equipment or services produced or provided by a company that poses a national security threat to the integrity of communications networks or the communications supply chain.

On March 12, 2020, the President signed into law the Secure and Trusted Communications Networks Act of 2019 (Secure Networks Act), Public Law 116–124, 133 Stat. 158 (2020) (codified as amended at 47 U.S.C. 1601–1609), which among other measures, directs the FCC to establish the Secure and Trusted Communications Networks Reimbursement Program (Reimbursement Program). This program is intended to provide funding to providers of advanced communications service for the removal, replacement and disposal of certain communications equipment and services that poses an unacceptable national security risk (*i.e.*, covered equipment and services) from their networks. The Commission has designated two entities—Huawei Technologies Company (Huawei) and ZTE Corporation (ZTE), along with their affiliates, subsidiaries, and parents—as covered companies posing such a national security threat. *See Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs—Huawei Designation*, PS Docket No. 19–351, Memorandum Opinion and Order, 35 FCC Rcd 14435 (2020); *Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs—ZTE Designation*, PS Docket No. 19–352, Memorandum Opinion and Order, DA 20–1399 (PSHSB rel. Nov. 24, 2020).

On December 10, 2020, the Commission adopted the *Second Report and Order* implementing the Secure Networks Act, which contained certain new information collection requirements. *See Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs*, WC Docket No. 18–89, Second Report and Order, 35 FCC Rcd 14284 (2020) (*Second Report and Order*). These requirements will allow the Commission to receive, review and make eligibility determinations and funding decisions on applications to participate in the Reimbursement Program that are filed by certain providers of advanced communications service. These new information collection requirements will also assist the Commission in processing funding disbursement requests and in monitoring and furthering compliance with applicable program requirements to protect against waste, fraud, and abuse.

On December 27, 2020, the President signed into law the Consolidated Appropriations Act, 2021, appropriating \$1.9 billion to “carry out” the Reimbursement Program and amending the Reimbursement Program eligibility requirements to expand eligibility to include providers of advanced communications service with 10 million or fewer subscribers. *See Public Law 116–260, Division N-Additional Coronavirus Response and Relief, Title IX-Broadband internet Access Service*, sections 901, 906, 134 Stat. 1182 (2020). The Commission has interpreted the term “provider of advanced communications service” to mean “facilities-based providers, whether fixed or mobile, with a broadband connection to end users with at least 200 kbps in one direction.” *Second Report and Order*, 35 FCC Rcd at 14332, para. 111. Participation in the Reimbursement Program is voluntary but compliance with the new information collection requirements is required to obtain Reimbursement Program support.

The Secure Networks Act requires all providers of advanced communications service to annually report, with exception, on whether they have purchased, rented, leased or otherwise obtained covered communications equipment or service on or after certain dates. 47 U.S.C. 1603(d)(2)(B). The *Second Report and Order* adopted a new information collection requirement to implement this statutory mandate. *See Secure Networks Act section 5*. If the provider certifies it does not have any covered equipment and services, then the provider is not required to subsequently file an annual report, unless it later obtains covered equipment and services. *Second Report and Order* at para. 215.

This submission is for new information collection requirements contained in the *Second Report and Order* adopted by the Commission on December 10, 2020. The new requirements are necessary for the creation of a \$1.9 billion reimbursement program, as directed by Congress in the Secure Networks Act, as amended. This submission also covers a related information collection requirement necessitated by the Secure Networks Act and/or the *Second Report and Order* and proposes to eliminate a previously approved information collection requirement that is no longer necessary.

Federal Communications Commission.

Marlene Dortch,

Secretary, Office of the Secretary.

Centers for Disease Control and Prevention

Disease, Disability, and Injury Prevention and Control Special Emphasis Panel (SEP)—TS21–001, Identify and Evaluate Potential Risk Factors for Amyotrophic Lateral Sclerosis (ALS); Amended Notice of Meeting

Notice is hereby given of a change in the meeting of the Disease, Disability, and Injury Prevention and Control Special Emphasis Panel (SEP)—TS21–001, Identify and Evaluate Potential Risk Factors for Amyotrophic Lateral Sclerosis (ALS); June 10, 2021, 10:00 a.m.–5:00 p.m., EDT, in the original FRN. The web conference meeting was published in the **Federal Register** on February 1, 2021, Volume 86, Number 19, pages 7725–7726.

The meeting is being amended to change the meeting time and should read as follows:

Date: June 10, 2021.

Time: 8:30 a.m.–5:00 p.m., EDT.

Place: Web Conference.

The meeting is closed to the public.

FOR FURTHER INFORMATION CONTACT:

Mikel Walters, Ph.D., Scientific Review Officer, National Center for Injury Prevention and Control, CDC, 4770 Buford Highway, NE, Mailstop F–63, Atlanta, Georgia 30341–3717, Telephone: (404) 639–0913, MWalters@cdc.gov.

The Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Kalwant Smagh,

Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and Prevention.
