Extension:

Rule 6e–2 and Form N–6EI–1; SEC File No. 270–177; OMB Control No. 3235–0177.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 6e–2 (17 CFR 270.6e–2) under the Investment Company Act of 1940 (“Act”) (15 U.S.C. 80a) is an exemptive rule that permits separate accounts, formed by life insurance companies, to fund certain variable life insurance products. The rule exempts such separate accounts from the registration requirements under the Act, among others, on condition that they comply with all but certain designated provisions of the Act and meet the other requirements of the rule. The rule sets forth several information collection requirements.

Rule 6e–2 provides a separate account with an exemption from the registration provisions of section 8(a) of the Act if the account files with the Commission Form N–6EI–1 (17 CFR 274.301), a notification of claim of exemption.

The rule also exempts a separate account from a number of other sections of the Act, provided that the separate account makes certain disclosure in its registration statements, reports to contractholders, proxy solicitations, and submissions to state regulatory authorities, as prescribed by the rule.

Paragraph (b)(9) of rule 6e–2 provides an exemption from the requirements of section 17(f) of the Act and imposes a reporting burden and certain other conditions. Section 17(f) requires that every registered management company meet various custody requirements for its securities and similar investments. Paragraph (b)(9) applies only to management accounts that offer life insurance contracts subject to rule 6e–2.

Since 2005, there have been no filings under paragraph (b)(9) of rule 6e–2 by management accounts. Therefore, since 2005, there has been no cost or burden to the industry regarding the

information collection requirements of paragraph (b)(9) of rule 6e–2. In addition, there have been no filings of Form N–6EI–1 by separate accounts since 2005. Therefore, there has been no cost or burden to the industry since that time. The Commission requests authorization to maintain an inventory of one burden hour for administrative purposes.

Extension:

Form 24F–2; SEC File No. 270–399 ; OMB Control No. 3235–0456.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 24f–2 (17 CFR 270.24f–2) under the Investment Company Act of 1940 (15 U.S.C. 80a) requires any open-end management companies (“mutual funds”), unit investment trusts (“UITs”) or face-amount certificate companies

(collectively, “funds”) deemed to have registered an indefinite amount of securities to file, not later than 90 days after the end of any fiscal year in which it has publicly offered such securities, Form 24F-2 (17 CFR 274.24) with the Commission. Form 24F-2 is the annual notice of securities sold by funds that accompanies the payment of registration fees with respect to the securities sold during the fiscal year.

The Commission estimates that 5707 funds file Form 24F-2 on the required annual basis. The average annual burden per respondent for Form 24F-2 is estimated to be two hours. The total annual burden for all respondents to Form 24F-2 is estimated to be 11,414 hours. The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules.

Compliance with the collection of information required by Form 24F-2 is mandatory. The Form 24F-2 filing that must be made to the Commission is available to the public. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to: [Shagufta\\_Ahmed@omb.eop.gov](mailto:Shagufta_Ahmed@omb.eop.gov); and (ii) Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov). ## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form NP-X; SEC File No. 270-524; OMB Control No. 3235-0582.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title of the collection of information is “Form N-PX (17 CFR 274.129) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (“Investment Company Act”), Annual Report of Proxy Voting Record.” Rule 30b1-4 (17 CFR 270.30b1-4) under the Investment Company Act of 1940 requires every registered management investment company, other than a small business investment company (“Fund”), to file Form N-PX not later than August 31 of each year. Funds use Form N-PX to file annual reports with the Commission containing their complete proxy voting record for the most recent twelve-month period ended June 30. Funds also use Form N-PX to inform the Commission that certain of their portfolios do not hold any equity securities and have no proxy record to file.

The Commission requires the dissemination of this information in order to meet the filing and disclosure requirements of the Investment Company Act and to enable Funds to provide investors with the information necessary to evaluate an investment in the Fund. The information filed with the Commission also permits the verification of compliance with securities law requirements and assures the public availability and dissemination of the information. Requiring a Fund to file its annual reports on Form N-PX has the advantages of making each Fund’s proxy voting record available within a relatively short period of time after the proxy voting season, and of providing disclosure of all Funds’ proxy voting records over a uniform period of time.

There are approximately 3,800 Funds registered with the Commission, representing approximately 9,400 Fund portfolios, which are required to file Form N-PX.<sup>1</sup> The 9,400 portfolios are

<sup>1</sup> The estimate of 3,800 Funds is based on the number of management investment companies currently registered with the Commission. We estimate, based on data from the Investment Company Institute and other sources, that there are approximately 5,700 Fund portfolios that invest primarily in equity securities, 500 “hybrid” or bond portfolios that may hold some equity securities, 2,400 bond Funds that hold no equity securities,

comprised of 6,200 portfolios holding equity securities and 3,200 portfolios holding no equity securities. The staff estimates that portfolios holding no equity securities require approximately a 0.17 hour burden per response and those holding equity securities require 14.4 hours per response. The overall estimated annual burden is therefore 89,824 hours ((6,200 responses × 14.4 hours per response for equity holding portfolios) + (3,200 responses × 0.17 hours per response for non-equity holding portfolios)).

Form N-PX does not involve any recordkeeping requirements. Providing the information required by the rule is mandatory and information provided under the rule will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.
