

practicable steps to consult with interested agencies and members of the public to minimize the burden of this information collection. SBA intends to make available on its website a list of the areas within each State that meet the statutory definition of “covered area” according to the most recent Bureau of the Census data. This will minimize the burden on State governments by eliminating the need to gather this data and do the necessary analysis to determine which areas may meet the definition of “covered area.”

Solicitation of Public Comments

Comments may be submitted on (a) whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.
