

Council will receive a presentation by Preston Pate on the NMFS' Marine Recreational Information Program (MRIP). The Executive Committee will then review the highlights of the Magnuson-Stevens Reauthorization Act Workshop, review the highlights of the Northeast Regional Coordinating Council (NRCC) meeting, and review the Council's proposed 2008 Annual Work Plan (AWP).

THURSDAY, OCTOBER 18 - the Council will convene at 9 a.m. to review and approve the Draft Supplemental Environmental Impact Statement (DSEIS) and public hearing document (PHD) for Amendment 10 to the Squid, Mackerel, and Butterfish FMP which is intended to rebuild the butterfish fishery. The Council will then consider any continuing and/or new business.

Although non-emergency issues not contained in this agenda may come before the Council for discussion, these issues may not be the subject of formal Council action during these meetings. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final actions to address such emergencies.
