Justice Management Division, Office of Attorney Recruitment and Management: Agency Information Collection Activities: Proposed Revision to Previously Approved Collection; Comments Requested

ACTION: 30-Day Notice of Information Collection Under Review: Electronic Applications for the Attorney General's Honors Program and the Summer Law Intern Program.

The U.S. Department of Justice (DOJ), Justice Management Division, Office of Attorney Recruitment and Management (OARM), has submitted the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. Office of Management and Budget (OMB) approval is sought for the information collection listed below. This proposed information collection was previously published in the **Federal Register** on December 26, 2006, Volume 71, Number 247, pages 77411-77412, allowing for a 60-day public comment period.

The purpose of this notice is to allow an additional 30 days for public comment until April 2, 2007. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, *Attention:* Department of Justice Desk Officer, Washington, DC 20530. Additionally, comments may be submitted to OMB via facsimile to 202-395-7285. Comments may also be submitted to the Department Clearance Officer, United States Department of Justice, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this Information Collection:

(1) *Type of Information Collection:* Revision of a Currently Approved Collection

(2) *Title of the Form/Collection:* Electronic Applications for the Attorney General's Honors Program and the Summer Law Intern Program.

(3) *Agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form Number: none. Office of Attorney Recruitment and Management, Justice Management Division, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* Individuals or households. *Other:* None. The application form is submitted voluntarily once a year by law students and judicial law clerks, who will be in this applicant pool only once; the revision to this collection concerns two additional forms required to be submitted only by those applicants who were selected to be interviewed by Department components. These forms seek information in order to prepare both the official Travel Authorizations prior to the interviewees' performing pre-employment interview travel (as defined by 41 CFR 301-1.3), and the official Travel Vouchers after the travel is completed. The first new form is the Travel Survey—used by the Department in scheduling travel and/or hotel accommodations, which in turn provides the estimated travel costs required by the Travel Authorization form. The second new form is a simple Reimbursement Form—the interviewees are asked to provide their travel costs and/or hotel accommodations (if applicable) in order for the Department

to prepare the Travel Vouchers required before these interviewees can be reimbursed by the Department for the authorized costs they incurred during this pre-employment interview travel.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that 5000 respondents will complete the application in approximately one (1) hour per application. The revised burden would include 600 respondents who will complete the travel survey in approximately 10 minutes per form, and 600 respondents who will complete the reimbursement form in approximately 10 minutes per form.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated revised total annual public burden associated with this application is 5200 hours.

If additional information is required, contact Lynn Bryant, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: February 26, 2007.

Lynn Bryant,

Department Clearance Officer, PRA, Department of Justice.
