

of filing.¹³ However, Rule 19b–4(f)(6)(iii)¹⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the five-day pre-filing notice requirement and the 30-day pre-operative delay. The Commission is exercising its authority to waive the five-day pre-filing requirement and believes that waiver of the 30-day pre-operative delay is consistent with the protection of investors and in the public interest. Waiving the five-day pre-filing requirement and 30-day pre-operative delay will allow the Pilot Program to continue uninterrupted.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the Act.
