

development and implementation of their transition plans and to respond to the changes brought about by the transition.

NASADAD is in the unique position to facilitate these activities because:

- NASADAD is the sole and unique organization with a direct official relationship with the SSAs. SSAs, which form the membership of NASADAD, are the only entities that may directly apply for and administer SAMHSA's SAPT Block Grant funds.

- The activities required under this grant program will require NASADAD and its members (SSAs) to provide the necessary State perspective regarding needs and potential changes to the State substance abuse treatment system practices and to their information system's infrastructure.

- NASADAD is the sole organization that has been utilizing, in support of CSAT, a Web-based process to facilitate SSA dialogue on NOMs.

- NASADAD's constituency and staff are a repository of knowledge on State issues related to substance abuse treatment indicators and are accountable for performance in the SAPT Block Grant. This knowledge is critical to the grant project.

- NASADAD has a Data Subcommittee that is essential to the required grant activities. In addition, NASADAD is uniquely qualified to conduct the required activities because of its relationship with the SSAs and its history of collaboration with the Federal government and other organizations that represent issues of importance to State government.

Background

The Department of Homeland Security (DHS), through the United States Coast Guard and the Transportation Security Administration (TSA), issued a joint final rule (72 FR 3492; January 25, 2007) pursuant to the Maritime Transportation Security Act (MTSA), Public Law 107-295, 116 Stat. 2064 (November 25, 2002), and the Security and Accountability for Every Port Act of 2006 (SAFE Port Act), Public Law 109-347 (October 13, 2006). This rule requires all credentialed merchant mariners and individuals with unescorted access to secure areas of a regulated facility or vessel to obtain a TWIC. In this final rule, on page 3510, TSA and Coast Guard stated that a phased enrollment approach based upon risk assessment and cost/benefit would be used to implement the program nationwide, and that TSA would publish a notice in the **Federal Register** indicating when enrollment at a specific location will begin and when it is expected to terminate.

This notice provides the start date for TWIC initial enrollment at the Port of Bangor, ME on March 26, 2008. The Coast Guard will publish a separate notice in the **Federal Register** indicating when facilities within the Captain of the Port Zone Northern New England, including those in the Port of Bangor must comply with the portions of the final rule requiring TWIC to be used as an access control measure. That notice will be published at least 90 days before compliance is required.

To obtain information on the pre-enrollment and enrollment process, and enrollment locations, visit TSA's TWIC Web site at <http://www.tsa.gov/twic>.

Issued in Arlington, Virginia, on March 6, 2008.

Program Manager, TWIC, Office of Transportation Threat Assessment and Credentialing, Transportation Security Administration.

Extension of the Designation of Somalia for Temporary Protected Status; Automatic Extension of Employment Authorization Documentation for Somali Temporary Protected Status Beneficiaries

AGENCY: U.S. Citizenship and Immigration Services, Department of Homeland Security (DHS).

ACTION: Notice.

SUMMARY: This Notice announces that the designation of Somalia for temporary protected status (TPS) has been extended for 18 months through September 17, 2009, from its current expiration date of March 17, 2008. This Notice also sets forth procedures necessary for nationals of Somalia (or aliens having no nationality who last habitually resided in Somalia) with TPS to re-register and to apply for an extension of their employment authorization documents (EADs) for the additional 18-month period. Re-registration is limited to persons who have previously registered for TPS under the designation of Somalia and whose applications have been granted or remain pending. Certain nationals of Somalia (or aliens having no nationality who last habitually resided in Somalia) who have not previously applied for TPS may be eligible to apply under the late initial registration provisions.

Given the timeframes involved with processing TPS re-registration applications, the Department of Homeland Security (DHS) recognizes the possibility that re-registrants may not receive a new EAD until after their current EAD expires on March 17, 2008. Accordingly, this Notice automatically extends the validity of EADs issued under the TPS designation of Somalia for 6 months, through September 17, 2008 and explains how TPS beneficiaries and their employers may

determine which EADs are automatically extended. DHS will issue new EADs with the September 17, 2009 expiration date to eligible TPS beneficiaries who timely re-register and apply for an EAD.

DATES: The extension of the TPS designation of Somalia is effective March 18, 2008 and will remain in effect through September 17, 2009. The 60-day re-registration period begins March 12, 2008 and will remain in effect until May 12, 2008. To facilitate processing of applications, applicants are strongly encouraged to file as soon as possible after the start of the 60-day re-registration period beginning on March 12, 2008.
