DATES: You must submit comments on or before February 9, 2004.

ADDRESSES: Send your comments and suggestions on specific requirements to the Information Collection Clearance

Officer, U.S. Fish and Wildlife Service, MS 222-ARLSQ, 4401 N. Fairfax Drive, Arlington, VA 22203.

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection submission, explanatory information, and/or related forms, contact Anissa Craghead, Information Collection Clearance Officer, at 703-358-2445 or electronically at Anissa_Craghead@fws.gov.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), require that interested members of the public and affected agencies be given an opportunity to comment on information collection and record keeping activities (*see* 5 CFR 1320.8(d)). We are submitting a request to OMB to approve: (1) The revision of the collection of information for four of our multinational species conservation grant fund requests for proposals (Form numbers 3-2214 through 3-2217), and (2) the addition of two new requests for proposals (Form numbers 3-2263 and 3-2264). We are requesting a three-year term of approval for this information collection activity. Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is 1018-0123.

Revisions to the currently approved requests for proposals include updating application forms to: (1) Comply with new Government-wide policy directing all funding programs to request Dunn & Bradstreet registration from all applicants; (2) reformat to comply with new Government-wide policies prescribing a standard RFP format; (3) add additional instructions for

applicants; (4) request from domestic applicants the submission of standard forms 424, 424a, 424b and DI 2010; and (5) reformat the application cover page form to fit on one page. In addition, two new requests for proposals have been added to the information collection in order to meet our obligations under the requirements of the Convention on Nature Protection and Wildlife Preservation in the Western Hemisphere. The two new requests for proposals and associated forms will be translated into Spanish for the convenience of our Latin American and Caribbean applicants. The new requests for proposals (forms 3-2263 and 3-2264) are noted in the table below. In addition, this information collection is currently titled, "Multinational Species Conservation Fund Requests for Proposals." Due to the addition of two new requests for proposals that are not part of the Multinational Species Conservation Fund, we are proposing to change the title of this information collection to "Division of International Conservation Requests for Proposals."

The information obtained from the first four requests for proposals listed below will be used to select conservation projects for grant funding in accordance with the criteria in several Acts of Congress. The Acts of Congress include the African Elephant Conservation Act, as amended (16 U.S.C. 4201-46), the Rhinoceros and Tiger Conservation Act, as amended (16 U.S.C. 5301-06), the Asian Elephant Conservation Act (16 U.S.C. 4261-4266), and the Great Ape Conservation Act (16 U.S.C. 6301-6305). The information obtained from the final two requests for proposals will be used to select conservation projects for grant funding in accordance with the U.S. Government's obligations under the Western Hemisphere Convention, and

authorized by the Endangered Species Act of 1973, as amended (16 U.S.C. 1531–43). The following table lists the

plan to submit to OMB for approval under the Paperwork Reduction Act.
