The Commission plans to submit these existing collections of information to the Office of Management and Budget for approval.

Rule 163 (17 CFR 230.163) provides an exemption from section 5(c) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) for certain communications by on behalf of a well-known seasoned issuer. The information filed under Rule 163 that is filed with the Commission is publicly available. We estimate that it takes approximately .24 burden hours per response to provide the information required under Rule 163 and that the information is filed by 53 respondents for a total annual reporting burden of 13

Rule 173 (17 CFR 230.173) provides a notice of registration to investors who purchased securities in a registered offering under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). A free writing prospectus meeting the conditions of Rule 433(d)(1) must be filed with the Commission and is publicly available. We estimate that it takes approximately 1.3 burden hours per response to prepare a free writing prospectus and that the information is filed by 2,906 companies approximately 1.25 times a year for a total of 3,633 responses. We estimate that 25% of the 1.3 burden hours per response (.32 hours) is prepared by the company for total annual reporting burden of 1,163 hours (.32 hours × 3,633 responses).
