

use of race and sex in affirmative action programs, including in federally funded contracting programs.

Additionally, the 2022 Guidance is inconsistent with Executive Order 14151 of January 20, 2025, *Ending Radical and Wasteful Government DEI Programs and Preferencing*, and Executive Order 14173 of January 21, 2025, *Ending Illegal Discrimination and Restoring Merit-Based Opportunity*. See 90 FR 8339; 90 FR 8633. In those Executive Orders, President Donald J. Trump directed the immediate termination of race- and sex-based preference programs operating under the banner of “diversity, equity, and inclusion” (“DEI”) throughout the federal government. As the President explained, “dangerous, demeaning, and immoral race- and sex-based preferences under the guise of so-called ‘diversity, equity, and inclusion’” violate the civil rights laws of this country and will no longer be tolerated—least of all within our own government. 90 FR 8633 (sec. 1). Section 3 of Executive Order 14173 directs “the employment, procurement, and contracting practices of Federal contractors and subcontractors shall not consider race, color, sex, sexual preference, religion, or national origin in ways that violate the Nation’s civil rights laws. *Id.* (sec. 3) (citing Executive Order 13279 of December 12, 2002, *Equal Protection of the Laws for Faith-Based and Community Organizations*, 67 FR 77141).

The 2022 Guidance that was published in the **Federal Register** at 87 FR 4955 is no longer available on the Department of Justice’s website nor should its contents be cited as evidence supporting race- or sex-based programs.

SUPPLEMENTARY INFORMATION: The NCUA is proposing a three-year extension of the NCUA Form 5300 Call Report with revised instructions.

OMB Number: 3133–0004.

Title: NCUA Form 5300 Call Report.

Type of Review: Extension of a currently approved collection.

Abstract: Sections 106 and 202 of the Federal Credit Union Act require federally insured credit unions (FICUs) to make financial and other reports to the NCUA. Section 741.5 describes the submission method FICUs must use to

provide information to NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data through NCUA's online portal, CUOnline. The financial and statistical information provided by credit unions is essential to NCUA in carrying out its responsibility for supervising federal credit unions. This information facilitates NCUA monitoring of credit unions with share accounts insured by the National Credit Union Share Insurance Fund (Share Insurance Fund).

Affected Public: Private sector: Not-for-profit institutions.

Respondents: All federal insured credit unions.

Estimated Number of Respondents: 4,455.

Estimated Average Burden per Response: 4.0 hours.

Estimated Total Annual Burden Hours: 71,280.

Reason for Change: The number of respondents decreased.

The proposed revisions to the Form 5300 instructions in this notice would not have a material impact on the existing burden estimates.

Legal Basis and Need for Collections: The Call Report Form 5300 information collections are mandatory under 12 U.S.C. 1756, 1766, and 1782. Except for select sensitive items, the Call Report Form 5300 is not given confidential treatment.

The data credit unions report on the Call Report is essential to the NCUA's supervision and regulation of federal credit unions. This information also facilitates the NCUA's monitoring of other credit unions with Share Insurance Fund coverage for share accounts.

Credit unions submit quarterly Call Report data to the NCUA. Call Report data serves a regulatory or public policy purpose by assisting the NCUA in fulfilling its mission of ensuring the safety and soundness of individual credit unions and the credit union system, protecting consumer financial rights, as well as agency-specific missions affecting federal and state-chartered credit unions, such as ensuring financial stability and administering share insurance.

There are no proposed changes to the Form 5300 Call Report. However, the NCUA is proposing revisions to the 5300 Call Report Instructions to improve clarity and accurate reporting. These revisions are captured on page two of the draft 5300 Call Report Instructions.
