

2. If required, BLM will implement the Service-approved POC.
3. Prior to conducting the work, BLM will take the following steps to reduce potential effects on subsistence harvest of polar bears:
 - i. Avoid work in areas of known polar bear subsistence harvest;
 - ii. Notify the cities Wainwright and Utqiagvik and the Native Villages of Atkasuk and Nuiqsit of the proposed project activities;
 - iii. Work to resolve any concerns of potentially affected Alaska Native Tribal organizations and corporations regarding the project's effects on subsistence hunting of polar bears;
 - iv. If any unresolved or ongoing concerns of potentially affected Alaska Native Tribal organizations and corporations remain, modify the POC in consultation with the Service and subsistence stakeholders to address these concerns; and
 - v. Implement Service-required mitigation measures that will reduce impacts to subsistence users and their resources.

E. Reporting Requirements

BLM must report the results of monitoring to the Service Marine Mammals Management office via email at: fw7_mmm_reports@fws.gov.

1. *In-season monitoring reports.*
2. *Activity progress reports.* BLM must:
 - (i) Notify the Service at least 48 hours prior to the onset of activities;
 - (ii) Provide the Service weekly progress reports of any significant changes in activities and/or locations; and
 - (iii) Notify the Service within 48 hours after ending of activities.
3. *Polar bear observation reports.* BLM must report, within 48 hours, all observations of polar bears and potential polar bear dens during any project activities. Upon request, monitoring report data must be provided in a common electronic format (to be specified by the Service). Information in the observation report must include, but need not be limited to:
 - i. Date and time of each observation;
 - ii. Locations of the observer and polar bears (GPS coordinates if possible);
 - iii. Number of polar bears;
 - iv. Sex and age class—adult, subadult, cub (if known);
 - v. Observer name and contact information;
 - vi. Weather, visibility, and if at sea, sea state, and sea-ice conditions at the time of observation;
 - vii. Estimated closest distance of polar bears from personnel and facilities;
 - viii. Type of work being conducted at time of sighting;

- ix. Possible attractants present;
- x. Polar bear behavior—initial behavior when first observed (e.g., walking, swimming, resting, etc.);
- xi. Potential reaction—behavior of polar bear potentially in response to presence or activity of personnel and equipment;
- xii. Description of the encounter;
- xiii. Duration of the encounter; and
- xiv. Mitigation actions taken.
4. *Human—polar bear interaction reports.* BLM must report all human—polar bear interaction incidents immediately, and not later than 48 hours after the incident. Human—polar bear interactions include:
 - i. Any situation in which there is a possibility for unauthorized take. For instance, when project activities exceed those included in an IHA, when a mitigation measure was required but not enacted, or when the injury or death of a polar bear occurs. Reports must include all information specified for an observation report in paragraphs (3)(i)–(xiv) of this section E, a complete detailed description of the incident, and any other actions taken.
 - ii. Injured, dead, or distressed polar bears that are clearly not associated with project activities (e.g., animals found outside the project area, previously wounded animals, or carcasses with moderate to advanced decomposition or scavenger damage) must also be reported to the Service immediately, and not later than 48 hours after discovery. Photographs, video, location information, or any other available documentation must be included.
6. *Final report.* The results of monitoring and mitigation efforts identified in the marine mammal avoidance and interaction plan must be submitted to the Service for review within 90 days of the expiration of this IHA. Upon request, final report data must be provided in a common electronic format (to be specified by the Service). Information in the final report must include, but need not be limited to:
 - i. Copies of all observation reports submitted under the IHA;
 - ii. A summary of the observation reports;
 - iii. A summary of monitoring and mitigation efforts including areas, total hours, total distances, and distribution;
 - iv. Analysis of factors affecting the visibility and detectability of polar bears during monitoring;
 - v. Analysis of the effectiveness of mitigation measures;
 - vi. A summary and analysis of the distribution, abundance, and behavior of all polar bears observed; and
 - vii. Estimates of take in relation to the specified activities.

Request for Public Comments

If you wish to comment on this proposed authorization, the associated draft environmental assessment, or both documents, you may submit your comments by either of the methods described in **ADDRESSES**. Please identify whether you are commenting on the proposed authorization, draft environmental assessment, or both, make your comments as specific as possible, confine them to issues pertinent to the proposed authorization, and explain the reason for any changes you recommend. Where possible, your comments should reference the specific section or paragraph that you are addressing. The Service will consider all comments that are received before the close of the comment period (see **DATES**). The Service does not anticipate extending the public comment period beyond the 30 days required under section 101(a)(5)(D)(iii) of the MMPA.

Comments, including names and street addresses of respondents, will become part of the administrative record for this proposal. Before including your address, telephone number, email address, or other personal identifying information in your comment, be advised that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comments to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

Peter Fasbender,

Assistant Regional Director Fisheries and Ecological Services, Alaska Region.

BILLING CODE 4312-52-P

INTERNATIONAL TRADE COMMISSION

Notice of Receipt of Complaint; Solicitation of Comments Relating to the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has received a complaint regarding *Certain Computing Devices Utilizing Indexed Search Systems and Components Thereof*, DN 3714; the Commission is soliciting comments on any public interest issues raised by the complaint or complainant's filing pursuant to the Commission's Rules of Practice and Procedure.

FOR FURTHER INFORMATION CONTACT: Lisa R. Barton, Secretary to the Commission, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. The public version of the complaint can be accessed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov.

General information concerning the Commission may also be obtained by accessing its internet server at United States International Trade Commission (USITC) at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint and a submission pursuant to § 210.8(b) of the Commission's Rules of Practice and Procedure filed on behalf of XI

Discovery, Inc. on December 19, 2023. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain computing devices utilizing indexed search systems and components thereof. The complaint names as respondents: ASUSTeK Computer Inc. of Taiwan; ASUS Computer International of Fremont, CA; Acer Inc. of Taiwan; Acer America Corporation of San Jose, CA; Dell Technologies Inc. of Round Rock, TX; Dell (Chengdu) Company Limited of China; and Dell Products L.P. of Round Rock, TX. The complainant requests that the Commission issue a limited exclusion order, cease and desist orders, and impose a bond upon respondents' alleged infringing articles during the 60-day Presidential review period pursuant to 19 U.S.C. 1337(j).

Proposed respondents, other interested parties, and members of the public are invited to file comments on any public interest issues raised by the complaint or § 210.8(b) filing. Comments should address whether issuance of the relief specifically requested by the complainant in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the requested remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the requested remedial orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the requested exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the requested remedial orders would impact United States consumers.

Written submissions on the public interest must be filed no later than by close of business, eight calendar days after the date of publication of this
