DEPARTMENT OF LABOR**Employee Benefits Security
Administration****Proposed Extension of Information
Collection; Comment Request ERISA
Technical Release 91-1**

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA 95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that the data the Department gathers can be provided in the desired format, that the reporting burden on the public (time and financial resources) is minimized, that the public understands the Department's collection instruments, and that the Department can accurately assess the impact of collection requirements on respondents.

Currently, the Employee Benefits Security Administration (EBSA) is soliciting comments concerning an extension of the information collections in ERISA Technical Release 91-1, issued in 1991. Technical Release 91-1 provides guidance on permitted transfers of excess assets from a defined benefit pension plan to a retiree health benefits account under provisions of the Internal Revenue Code (the Code) and

the Employee Retirement Income Security Act of 1974 (ERISA). A copy of the information collection request (ICR) may be obtained by contacting the office listed in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted on or before January 17, 2006.

ADDRESSES: Direct all written comments regarding the information collection request and burden estimates to Susan G. Lahne, Office of Policy and Research, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, NW., Room N-5647, Washington, DC 20210. Telephone: (202) 693-8410; Fax: (202) 693 219-5333. These are not toll-free numbers. Comments may also be submitted electronically to the following Internet e-mail address: ebsa.opr@dol.gov.

SUPPLEMENTARY INFORMATION:**I. Background**

ERISA section 101(e) sets forth certain notice requirements that must be satisfied before an employer may transfer excess assets from a defined benefit plan to a retiree health benefits account, as otherwise permissible after satisfying the conditions set forth in section 420 of the Code. Section 101(e)(1) establishes the plan administrator's obligation to provide advance written notification of such transfers to participants and beneficiaries. Section 101(e)(2)(A) separately establishes the employer's obligation to provide advance written notification of such transfers to the Secretaries of Labor and Treasury, the administrator, and each employee organization representing participants in the plan. The requirements relating to advance notification of transfers to retiree health benefit accounts were added to ERISA as part of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508). ERISA Technical Release 91-1 provides guidance on the type of information to be provided in the notices to both the participants and beneficiaries and to the Secretaries. EBSA submitted the information collection provisions in the Technical Release to the Office of Management and Budget (OMB) for review in connection with issuance of the Technical Release. OMB approved the ICR under OMB Control No. 1210-0084. The ICR approval is scheduled to expire on February 28, 2006.
