BILLING CODE 4710-15-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2009-0074]

Petition for Waiver of Compliance

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that by a document dated November 9, 2012, Canadian National Railway (CN), the Brotherhood of Locomotive Engineers and Trainmen (BLET), and the United Transportation Union (UTU) have jointly petitioned the Federal Railroad Administration (FRA)

for an extension of their waiver of compliance from certain provisions of the Federal hours of service laws contained at 49 U.S.C. 21103(a)(4). FRA assigned the petition Docket Number FRA-2009-0074.

In their petition, CN, BLET, and UTU seek relief from 49 U.S.C. 21103(a)(4), which in part requires a train employee to receive 48 hours off duty after initiating an on-duty period for 6 consecutive days. Specifically, CN, BLET, and UTU seek an extension of the existing waiver to allow a train employee to initiate an on-duty period for 6 consecutive days followed by 24 hours off duty. In support of their request, CN, BLET, and UTU explained that this type of schedule has not compromised rail safety. Additionally, as expressed in the original petition, work-life balance has continued for train employees, and the railroad has benefitted from continued productivity.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing.
