

individual. Archival research indicates the skull was accidentally unearthed from a private property in Geneva, New York, in 1925 and donated to Hobart and William Smith Colleges at that time. Based on the biological profile and archival documentation, this individual has been culturally affiliated with the Seneca Tribe of Indians.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

#### Determinations

Hobart and William Smith Colleges has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a connection between the human remains described in this notice and the Seneca Nation of Indians.

#### Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

**ADDRESSES.** Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after July 3, 2025. If competing requests for repatriation are received, Hobart and William Smith Colleges must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. Hobart and William Smith Colleges is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.
