C. Comment Summary

The Commission received one comment letter on the proposed Mediation Code, in which the Pace Investor Rights Project endorsed the proposed rule change because it preserves the existing NASD mediation system, while allowing individual investors to better understand the mediation rules through plain English.¹⁰ Pace generally supports the mediation of securities disputes and cites Professor Jill Gross for her conclusion in a forthcoming article that mediation is fair to the individual investor because it maximizes party control over the process and offers procedural justice at relatively low cost, among other things.¹¹

III. Discussion and Findings

After careful consideration, the Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association¹² and, in particular, the requirements of Section 15A of the Act¹³ and the rules and regulations thereunder. The Commission finds that the proposed rule change, as amended, is consistent with Section 15A(b)(6) of the Act,¹⁴ which requires, among other things, that the rules of an association be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.¹⁵ The Commission believes that proposed rule change, as amended, accomplishes these goals by improving the readability, accessibility, and therefore usability of procedures that establish an alternative, voluntary, and potentially low-cost forum for dispute resolution in the securities industry.

The Commission believes that there is good cause for approving Amendment No. 3 prior to the 30th day after publication in the **Federal Register**. The proposed rule change and Amendments

Nos. 1 and 2 thereto previously have been published for comment and have been available on NASD's Web site since their filing with the Commission. Amendment No. 3 proposes non-substantive, technical changes to the proposed rule change, consistent with the current Code, in order to facilitate approval of the proposed Mediation Code. Accelerated approval of Amendment No. 3 will allow parties to more quickly utilize the reorganized and revised Mediation Code. Based on the above, the Commission finds good cause, consistent with Section 15A(b)(6) and Section 19(b)(2) of the Act, for approving Amendment No. 3 prior to the 30th day after the date of publication of notice of filing thereof in the **Federal Register**.
