ACTION: Institution of a five-year review concerning the suspended investigation on fresh tomatoes from Mexico.

SUMMARY: The Commission hereby gives notice that it has instituted a review pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act)

to determine whether termination of the suspended investigation on fresh tomatoes from Mexico would be likely to lead to continuation or recurrence of material injury. Pursuant to section 751(c)(2) of the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission;¹ to be assured of consideration, the deadline for responses is November 20, 2001. Comments on the adequacy of responses may be filed with the Commission by December 17, 2001. For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

EFFECTIVE DATE: October 1, 2001.

FOR FURTHER INFORMATION CONTACT:

Mary Messer (202-205-3193), Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDISON-LINE) at <http://dockets.usitc.gov/eol/public>.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 1996, the Department of Commerce suspended an antidumping duty investigation on imports of fresh tomatoes from Mexico (61 FR 56618). The Commission is conducting a review to determine whether termination of the suspended investigation would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party

responses to this notice of institution to determine whether to conduct a full review or an expedited review. The Commission's determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

Definitions

The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year review, as defined by the Department of Commerce.

(2) The *Subject Country* in this review is Mexico.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the Subject Merchandise. For the purpose of the preliminary investigation, the Commission defined the Domestic Like Product as all fresh market tomatoes. Fresh market tomatoes do not include processing tomatoes.

(4) The *Domestic Industry* is the U.S. producers as a whole of the Domestic Like Product, or those producers whose collective output of the Domestic Like Product constitutes a major proportion of the total domestic production of the product. For the purpose of the preliminary investigation, the Commission defined the Domestic Industry as growers and packers of fresh tomatoes.

(5) The *Order Date* is the date that the investigation was suspended. In this review, the Order Date is November 1, 1996.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the Subject Merchandise into the United States from a foreign manufacturer or through its selling agent.

Participation in the Review and Public Service List

Persons, including industrial users of the Subject Merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the review as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the review.

Former Commission employees who are seeking to appear in Commission five-year reviews are reminded that they are required, pursuant to 19 CFR 201.15, to seek Commission approval if the matter in which they are seeking to appear was pending in any manner or form during their Commission employment. The Commission's designated agency ethics official has advised that a five-year review is the "same particular matter" as the underlying original investigation for purposes of 19 CFR 201.15 and 18 U.S.C. 207, the post employment statute for Federal employees. Former employees may seek informal advice from Commission ethics officials with respect to this and the related issue of whether the employee's participation was "personal and substantial." However, any informal consultation will not relieve former employees of the obligation to seek approval to appear from the Commission under its rule 201.15. For ethics advice, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202-205-3088.

Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and APO Service List

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this review available to authorized applicants under the APO issued in the review, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the review. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification

Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this review must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

¹ No response to this request for information is required if a currently valid Office of Management and Budget (OMB) number is not displayed; the OMB number is 3117-0016/USITC No. 01-5-065, expiration date July 31, 2002. Public reporting burden for the request is estimated to average 7 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

Written Submissions

Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is November 20, 2001. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct an expedited or full review. The deadline for filing such comments is December 17, 2001. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means. Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the review you do not need to serve your response).

Inability to Provide Requested Information

Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determination in the review.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Stipulation and Order Modifying Partial Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act of 1980

Under 28 CFR 50.7, notice is hereby given that on September 25, 2001, a proposed Stipulation and Order Modifying Partial Consent Decree ("Stipulation") in *United States v. Aerojet-General Corp., et al.*, Civil Action Nos. CIVS-86-0063-EJG and CIVS-86-0064-EJG, was lodged with the United States District Court for the Eastern District of California.

In this action originally brought in 1986 the United States sought recovery under both Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607, for cost recovery and injunctive relief

relating to the Aerojet Superfund Site (the "Site") located near Sacramento, California. The State of California is co-plaintiff in this action. A Partial Consent Decree was entered in 1989 that resolved past costs and provided that Aerojet would perform the remedial investigation/feasibility study at the Site. The Stipulation will (1) speed up the pace of cleanup by dividing the Site into operable units; and (2) remove certain areas from the ambit of the Partial Consent Decree and clarify that EPA does not consider these areas to be part of the Site, while retaining contaminated groundwater and associated contaminated media as part of the Site and subject to the Partial Consent Decree.

The Department of Justice and the State of California will receive for a period of thirty (30) days from the date of this publication comments relating to the Stipulation. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Aerojet-General Corp., et al.*, D.J. Ref. No. 90-7-1-74. Send comments simultaneously to Alex MacDonald, Central Valley Regional Water Quality Control Board, 3443 Routier Road, Sacramento, California 94822.

The Stipulation may be examined at the Office of the United States Attorney, 501 I Street, Suite 10-100, Sacramento, California, 95814, and at U.S. EPA Region 9, 75 Hawthorne Street, San Francisco, California, 94105. A copy of the Stipulation may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. In requesting a copy, please enclose a check in the amount of \$32.75 (25 cents per page reproduction cost) payable to the Consent Decree Library. In requesting a copy exclusive of exhibits, please enclose a check in the amount of \$17.50 (25 cents per page reproduction cost) payable to the Consent Decree Library.

BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation and Liability Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a proposed consent decree in *United States v. Vafadari, et al.*, No. 96-143 PHX EHC (D. Ariz.) was lodged on September 7, 2001, with the United States District Court for the District of Arizona. The consent decree settles claims under Sections 104, 107 and 113 of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9604, 9607 and 9613, for past and future response costs incurred and to be incurred in connection with the DCE Circuits Site ("DCE Site"), a subsite of the Indian Bend Wash Superfund NPL Site (the "Indian Bend Wash site" or the "IBW site"), on the eastern and southern borders of Phoenix, Arizona. The consent decree will also resolve the United States claims pursuant to Section 3304 and 3306 of the Federal Debt Collection Procedures Act of 1990, 28 U.S.C. 3304 and 3306 with regard to certain allegedly fraudulent conveyances of real property.

In 1998, the United States and Defendants entered into a Consent Decree providing that Defendants Rudi Vafadari (individually and as trustee of the Vafco Trust), Vafoc Trust, Arden Properties, Inc., Sohrab and Parvin Najmi would pay \$328,500 to the United States in installments. Mr. Vafadari was also to pay a civil penalty of \$10,000. On September 28, 1998, National Mortgage Co., a nonparty, sued Settling Defendants Arden Properties, Inc. and Vafadai in Arizona Superior Court to foreclose on a mortgage on the Site. See *National Mortgage Co. v. Vafadari, et al.*, No. CV98-17608 (Az. Sup. Ct. filed Sept. 28, 1998.). On September 29, 1998m Arden Properties, Inc. filed a petition for bankruptcy under Chapter 11 of the Bankruptcy Code. See *In re Arden Properties, Inc.*, No. 98-12312-PHX-RGM (Bankr. D. Ariz.). Pursuant to Arden Properties, Inc.'s plan of reorganization, Arden was to pay National Mortgage \$480,000 in installments over fifteen years and the United States the original Consent Decree amount of \$338,500 in installments over eight years. Due to Arden Properties' bankruptcy and the automatic stay, the United States never sought entry of the first decree.

The proposed consent decree replaces the previously lodged decree. As part of the settlement, National Mortgage has
