C. Eligibility Information

The grants are available to any domestic, public or private, nonprofit entity (including State and local units of Government). Federal agencies that are not part of the Department of Health and Human Services (HHS) may apply. Agencies that are part of HHS may not apply. Organizations that engage in lobbying activities, as described in section 501(c)(4) of the Internal Revenue Code of 1968, are not eligible to receive grant awards.

II. Award Information/Funds Available

A. Award Amount

The estimated amount of funds available for support of 1 to 4 consortia awarded as a result of this announcement is \$2 million for fiscal year 2009. Because the nature and scope of the proposed research will vary from application to application, it is anticipated that the size and duration of each award will also vary. Although the financial plans of FDA provide support for this program, awards under this funding opportunity are contingent upon the availability of funds and the receipt of a sufficient number of meritorious applications.

B. Length of Support

Grants will be awarded on a competitive basis up to \$2,000,000 in total costs (direct costs plus indirect costs) per year for up to 2 years.

III. How to Submit a Paper Application
