

SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval, without change, of the following information collection:

Title: Investment Securities (12 CFR 1).

OMB Number: 1557-0205.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend its approval of the information collection.

The information collection requirements in 12 CFR part 1 are as follows:

Under 12 CFR 1.3(h)(2), a national bank may request an OCC determination that it may invest in an entity that is exempt from registration under section 3(c)(1) of the Investment Company Act of 1940 if the portfolio of the entity consists exclusively of assets that a national bank may purchase and sell for its own account. The OCC uses the information contained in the request as a basis for determining that the bank's investment is consistent with its investment authority under applicable law and does not pose unacceptable risk.

Under 12 CFR 1.7(b), a national bank may request OCC approval to extend the five-year holding period of securities held in satisfaction of debts previously contracted (DPC) for up to an additional five years. The bank must provide a clearly convincing demonstration of why any additional holding period is needed. The OCC uses the information in the request to ensure, on a case-by-case basis, that the bank's purpose in retaining the securities is not speculative and that the bank's reasons for requesting the extension are adequate, and to evaluate the risks to the bank of extending the holding period, including potential effects on bank safety and soundness.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 25.

Estimated Total Annual Responses: 25.

Estimated Total Annual Burden: 460 hours.

Frequency of Response: On occasion.

Dated: August 26, 2003.

Mark J. Tenhundfeld,

Assistant Director, Legislative and Regulatory Activities Division.

SUPPLEMENTARY INFORMATION: OTS may not conduct or sponsor an information collection, and respondents are not

required to respond to an information collection, unless the information collection displays a currently valid OMB control number. As part of the approval process, we invite comments on the following information collection.

Title of Proposal: Thrift Financial Report (TFR) and Monthly Cost of Funds

OMB Number: 1550-0023.

Form Number: OTS 1313.

Description: OTS collects financial data from OTS-regulated savings associations and their subsidiaries and holding companies in order to assure their safety and soundness as depositories of the personal monies of the general public. OTS monitors the association's financial position and interest-rate risk so that adverse conditions can be identified promptly.

Discussion of Comments and Requested Form Changes: After publishing in the **Federal Register** on January 23, 2003 (68 FR 3318) notice of its intent to make certain changes to the Thrift Financial Report (TFR) effective March 2004 and reviewing and analyzing all comments, OTS has made the following changes to its information collection request to OMB:

Acceleration of Due Dates: Because the majority of the commenters opposed accelerating the filing due date for the TFR and since OTS does not want to impose additional reporting burden on the industry, OTS will not change the TFR filing due date. OTS will retain the same filing due date that the other banking agencies have for the Call Report, which is 30 days after the end of the quarter. Additionally, the filing due date for Schedules HC (Holding Company) and CMR (Consolidated Maturity/Rate) will remain at 45 days after the close of the quarter.

Average Balance Sheet Data: OTS will collect the average balance sheet data proposed, but at the request of several commenters, OTS will allow all institutions regardless of their asset size to use month-end data in their calculations, rather than requiring the use of daily or weekly balances. The averages will be included in Schedule SI and will be publicly available.

Transactions with Affiliates: Due to public response, OTS will combine its proposed items into two line items: (1) Outstanding balances of covered transactions with affiliates that are subject to quantitative limits (Transactions under section 23A of the Federal Reserve Act) and (2) Activity during the quarter of other covered transactions with affiliates, not subject to quantitative limits (Transactions under section 23B of the Federal Reserve Act). This information will be

confidential and will not be released to the public. These two data items will be included on Schedule SI and will be due 30 days after the close of the quarter.

Holding Company Data: OTS will expand the holding company data collected in Schedule HC as proposed. Clarifications will be made to the TFR instructions to address comments regarding the scope of some of the supplemental questions. For instance, OTS has narrowed which subsidiaries must be included to those determined to be significant based on consolidated assets, consolidated gross revenues, or the volume of affiliate transactions. Additionally, effective with 2004 reporting, OTS will revise Form H-b(11) to reduce duplicative reporting requirements.

Federal Home Loan Bank Dividends: As proposed, OTS will add a line in Schedule SO (Statement of Operations) for Federal Home Loan Bank dividend income. As requested by commenters, OTS will include FHLB dividends in net interest income, conforming to the presentation in the commercial bank Call Report. In Schedule SO (Statement of Operations), OTS will add a new section following Interest Income for Dividend Income on Equity Investments Not Subject to FASB Statement No. 115, which will include Federal Home Loan Bank dividend income. This new section will be included in net interest income. OTS will also revise Schedule SC (Statement of Condition) to include Federal Home Loan Bank stock under the section for equity investments not subject to FASB Statement No. 115.

Refinancing Loans: OTS will change the definition of CF360, Refinancing Loans, to include any mortgage loan that is not a purchase money mortgage.

Schedule CSS (Subsidiary Schedule): In response to comments, OTS will leave the collection frequency of Schedule CSS as annual and, additionally, will require reporting only of those subsidiaries that meet any one of the following criteria: (1) The gross revenue of the consolidated subsidiary is 5% or more of the gross revenue of the consolidated thrift; or (2) the total assets of the consolidated subsidiary are 5% or more of the consolidated thrift assets; or (3) the consolidated subsidiary is regulated by a state insurance department, the Securities and Exchange Commission, or the Commodity Futures Trading Commission; or (4) the Regional Director deems there is a supervisory reason for requiring the reporting of the subsidiary. Institutions may continue to report subsidiaries that are not required to be reported if they choose.

All Other Revisions: OTS will adopt as proposed the remaining changes to the 2004 TFR published in the **Federal Register** on January 23, 2003 (68 FR 3318).

Type of Review: Revision of a previously approved collection.

Affected Public: Savings Associations.

Estimated Number of Respondents: 925.

Estimated Frequency of Response: Variable depending on the schedule—Monthly, Quarterly, or Annually.

Estimated Burden Hours per Response: 35.42 hours average for quarterly schedules, 2.5 hours average for schedules required annually, and 0.5 hours for the monthly schedule, plus recordkeeping of an average of one hour per quarter.

Estimated Total Burden: 142,608 hours. Because some of these proposed changes will not affect all savings associations that file the TFR, the burden hours reflected above may vary from institution to institution.

Clearance Officer: Marilyn K. Burton, (202) 906-6467, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

OMB Reviewer: Joseph F. Lackey, Jr., (202) 395-7316, Office of Management and Budget, Room 10235, New Executive Office Building, Washington, DC 20503.

Dated: August 26, 2003.

James E. Gilleran,

Director, Office of Thrift Supervision.
