

Specification,¹² in a manner that was designed to, among other things, better harmonize with international technical guidance for reporting.¹³ The Commission continues to be mindful of the time and costs that may be incurred by SDRs and swap market participants to implement aspects of the SBS Reporting Rules that have no analog in, or are not wholly consistent with, the CFTC's swap reporting rules and, therefore, the Commission needs additional time to consider whether changes would be appropriate to more fully harmonize the Commission's SBS Reporting Rules with the CFTC's swap reporting and swap data repository rules.

Therefore, the Commission is extending the expiration date of the 2019 Compliance Statement until November 5, 2029.¹⁴

By the Commission.

Dated: April 17, 2025.

Sherry R. Haywood,

Assistant Secretary.
