SUPPLEMENTARY INFORMATION:

Background

In accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(k), on July 19, 2018, Commerce published its *Final Results* of the countervailing duty expedited review of CTL plate from China.¹ On July 24, 2018, Jiangsu Tiangong Tools Company Limited (TG Tools) submitted a request to correct a ministerial error in the *Final Results*.² No other parties submitted ministerial error allegations or comments on TG Tools' allegations.

Scope of the Order

The product covered by the order is CTL plate from China. A full description of the scope of the order is contained in the Ministerial Error Memorandum.³

As discussed in Commerce's Ministerial Error Memorandum, Commerce finds that a certain error alleged by TG Tools constitutes a ministerial error within the meaning of 19 CFR 351.224(f).⁴

In the subsidy rate calculation for TG Tools, we made a ministerial error with regard to the attribution methodology for certain grants. In accordance with section 751(h) of the Act and 19 CFR 351.224(e), we are amending the *Final Results* to correct the ministerial error. Specifically, we are amending the net subsidy rate for TG Tools. The revised net subsidy rate is provided below.

Amended Final Results
