EPA requests that the public provide to EPA any water quality related data and information that may be relevant to the calculations for these TMDLs, or any other comments relevant to these TMDLs. EPA will review all data and information submitted during the public comment period and revise the TMDLs where appropriate. EPA will then forward the TMDLs to the Court and the Louisiana Department of Environmental Quality (LDEQ). LDEQ will incorporate the TMDLs into its current water quality management plan.
