BILLING CODE 3411-15-P**DEPARTMENT OF AGRICULTURE****Forest Service****Bridger-Teton National Forest;
Wyoming; Oil and Gas Leasing in
Portions of the Wyoming Range in the
Bridger-Teton National Forest****AGENCY:** Forest Service, USDA.

ACTION: Corrected notice of intent to prepare a supplemental environmental impact statement to analyze and disclose effects of oil and gas leasing on portions of the Bridger-Teton National Forest previously identified as suitable and available for oil and gas leasing in the Bridger-Teton National Forest Land and Resource Management Plan.

SUMMARY: This notice corrects notices of Intent (NOI) published in the **Federal Register** on February 4, 2008 (73 FR, No. 23, pages 6453-6454) and March 28, 2008 (73 FR, No. 61 pages 16621-16622), to prepare a supplemental environmental impact statement (SEIS) to analyze and disclose environmental effects relative to oil and gas leasing on portions of the forest previously identified as suitable and available for oil and gas leasing in the Bridger-Teton National Forest Land and Resource Management Plan. The Forest Service is providing this corrected NOI because it intends to prepare a new draft and final SEIS in place of the draft and final SEIS released in February 2010 and January 2011, respectively. Extensive public involvement efforts were conducted with the 2008 scoping period. Because extensive public comments covering the range of relevant issues for the analysis were received in the 2008 scoping period and in the comment period on the 2010 Draft SEIS, an additional scoping period is not being conducted. Scoping comments and comments on the Draft SEIS previously submitted will be considered in preparation of the new SEIS. Scoping for a supplemental environmental impact statement is not required [40 CFR 1502.9(c)(4)]. The public will have another opportunity to comment on this project when the new Draft SEIS is released. A draft Record of Decision will be released with the new Final SEIS, and will be subject to the pre-decisional (objection) administrative review process [36 CFR 218]. Individuals and entities who submitted timely, specific written comments
