

extending the deadline date for transmittal of applications in order to allow applicants more time to prepare and submit their applications.

Additionally, the NIA indicated that proof of approval of all modifications to court-ordered desegregation plans could be submitted to the Department following the application due date. The new deadline for proof of modifications is July 28, 2020.

Please also note that *Grants.gov* has relaxed the requirement for applicants to have an active registration in the System for Award Management (SAM) in order to apply for funding during the COVID-19 pandemic. An applicant that does not have an active SAM registration can still register with *Grants.gov*, but must contact the *Grants.gov* Support Desk, toll-free, at 1-800-518-4726, in order to take advantage of this flexibility.

Note: While applications must be transmitted in the FY 2020 year, which ends on September 30, 2020, any awards granted will be made only after all applicable reviews and certifications have been completed. All other information in the NIA for this competition remains the same, except for the deadline for the transmittal of applications, intergovernmental review, and proof of modified desegregation plans, if court ordered.
