

would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Center for Scientific Review Special Emphasis Panel, D43 Infectious Disease Grant.

Date: May 6–7, 2003.

Time: 8 a.m. to 5 p.m.

Agenda: To review and evaluate grant applications.

Place: St. Gregory Hotel, 2033 M Street, NW., Washington, DC 20036.

Contact Person: Ping Fan, PhD, Scientific Review Administrator, National Institutes of Health, Center for Scientific Review, 6701 Rockledge Drive, Rm. 5154, MSC 7840, Bethesda, MD 20892, (301) 435–1740, fanp@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Emphasis Panel, ZRG1 SB 50R: PAR–03–032 Bioengineering Partnerships.

Date: June 1, 2003.

Time: 5 p.m. to 10 p.m.

Agenda: To review and evaluate grant applications.

Place: Hyatt Regency Bethesda, One Bethesda Metro Center, 7400 Wisconsin Avenue, Bethesda, MD 20814.

Contact Person: Teresa Nesbitt, DVM, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 5110, MSC 7854, Bethesda, MD 20892, (301) 435–1172.

Name of Committee: Integrative, Functional and Cognitive Neuroscience Integrated Review Group Alcohol and Toxicology Subcommittee 3.

Date: June 2–3, 2003.

Time: 8 a.m. to 5 p.m.

Agenda: To review and evaluate grant applications.

Place: Wyndham Washington, DC, 1400 M Street, NW., Washington, DC 20005.

Contact Person: Christine Melchior, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 4102, MSC 7816, Bethesda, MD 20892, (301) 435–1713.

Name of Committee: Surgery, Radiology and Bioengineering Integrated Review Group Surgery and Bioengineering Study Section.

Date: June 2–3, 2003.

Time: 8 a.m. to 4 p.m.

Agenda: To review and evaluate grant applications.

Place: Hyatt Regency Bethesda, One Bethesda Metro Center, 7400 Wisconsin Avenue, Bethesda, MD 20814.

Contact Person: Teresa Nesbitt, DVM, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 5118, MSC 7854, Bethesda, MD 20892, (301) 435–1172, nesbitt@csr.nih.gov.

Name of Committee: Integrative, Functional and Cognitive Neuroscience Integrated Review Group Integrative, Functional and Cognitive Neuroscience 1.

Date: June 3–4, 2003.

Time: 8 a.m. to 5 p.m.

Agenda: To review and evaluate grant applications.

Place: Holiday Inn Select Bethesda, 8120 Wisconsin Ave., Bethesda, MD 20814.

Contact Person: Gamil C. Debbas, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 5170, MSC 7844, Bethesda, MD 20892, (301) 435–1018.

Name of Committee: Surgery, Radiology and Bioengineering Integrated Review Group, Diagnostic Imaging Study Section.

Date: June 5–6, 2003.

Time: 8 a.m. to 4 p.m.

Agenda: To review and evaluate grant applications.

Place: Double Tree Rockville, 1750 Rockville Pike, Rockville, MD 20852.

Contact Person: Lee Rosen, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 5116, MSC 7854, Bethesda, MD 20892, (301) 435–1171.

Name of Committee: Surgery, Radiology and Bioengineering Integrated Review Group, Diagnostic Imaging Study Section.

Date: June 5–6, 2003.

Time: 8 a.m. to 5 p.m.

Agenda: To review and evaluate grant applications.

Place: Double Tree Rockville, 1750 Rockville Pike, Rockville, MD 20852.

Contact Person: Eileen W. Bradley, DSC, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 5120, MSC 7854, Bethesda, MD 20892, (301) 435–1179, bradleye@csr.nih.gov.

Name of Committee: Center for Scientific Review Special Emphasis Panel, ZRG1–BECM–01 Bioanalytical Engineering and Chemistry Panel.

Date: June 5–6, 2003.

Time: 8 a.m. to 6 p.m.

Agenda: To review and evaluate grant applications.

Place: Westin Grand, 2350 M Street, NW., Washington, DC 20037.

Contact Person: Noni Byrnes, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 4196, MSC 7806, Bethesda, MD 20892, (301) 435–1217, byrnesn@csr.nih.gov.

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (301) 443–7978.

*SAMHSA/HRSA Collaboration to Link Health Care for the Homeless Programs and Community Mental Health Agencies—(New)—*The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS); the Health Resources and Services Administration (HRSA), Bureau of Primary Health Care (BPHC); and the Office of the Assistant Secretary for Planning and Evaluation (ASPE) plan to conduct a longitudinal, multi-site evaluation assessing their initiative to foster collaborations between Health Care for the Homeless programs (HCH) and community mental health agencies (CMHAs). In 12 designated communities, an HCH site and a CMHA site will collaborate to increase the availability of mental health and primary care services for persons with serious mental illness and co-occurring substance use disorders who are homeless. The evaluation of these collaborative efforts will advance knowledge on elements of the implementation process associated with establishment of a successful collaboration, such as partnering mechanisms, success of referral links, intensity of services, the effects of collaboration on client outcomes, and plans for sustain ability.

Data collection will be conducted over a 30-month period. In each community, both a process and an outcome evaluation will be conducted to address the following questions: How is the project being implemented? What are the identified collaboration mechanisms? What are the service/agency level outcomes? What are the system-level outcomes? What are the client-level outcomes? To what extent do the various collaboration strategies predict outcomes?

To reduce burden and increase uniformity across the study sites, a common case study protocol will be

used to guide the evaluation. Information for the service/agency and system level evaluations will be collected by staff from the central Evaluation Center (EC) during annual site visits and through monthly activity logs. Common site visit protocols will dictate what data collection methods will be used. Site visitors will rely on focus groups and interviews to obtain information from project directors, local evaluators, project staff, and clients. Activity logs monitoring each

community's efforts to implement collaboration strategies, will be completed by program administrators and submitted to the EC monthly. Key outcomes to be examined at the service/agency level through these data collection methods include increased availability of mental health, substance abuse, specialty care, housing and services; increased access to primary care, mental health, and substance abuse services; more comprehensive assessment of and services for

individual needs; increased integrated delivery of services; and increased engagement and retention in services. System-level outcomes to be examined include increased cross-agency activity; increased mental health capacity at Hch sites; less redundancy in data collection; and enhanced screening for multi-dimensional issues.

The estimated response burden for this project is as follows:

Instrument	Number of respondents	Responses/ respondent	Burden/re-sponse (hrs.)	Total burden hours
General Session Interviews	84	3	1.5	378
Administrative Interviews	24	3	1.5	72
Evaluator Interviews	12	3	1.0	36
Line Staff Interviews	48	3	2.0	288
Consumer Focus Groups	252	1	1.0	252
Other Key Informants	48	3	1.0	144
Monthly Activity Logs	12	28	0.5	168
Total	564			1,842
3-yr. Annual Average	480			614

A total of approximately 6,500 program participants are expected to be recruited from the 12 sites. Each site will collect GPRA data on these participants using the CMHS GPRA Core Client Outcome measures approved by the Office of Management and Budget under control number 0930-0208, which cover such domains as drug and alcohol use, family and living conditions, education, employment, and income, crime and criminal justice status, and mental and physical health problems and treatment. To obtain information on client-level outcomes the central Evaluation Center will work with each site to develop methods for obtaining relevant material from the GPRA data. The Evaluation Center will provide training and technical assistance to all sites on data submission procedures.

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Allison Herron Eydt, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: April 17, 2003.

Richard Kopanda,

Executive Officer, SAMHSA.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2003 Funding Opportunity

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of funding availability for SAMHSA Dissertation Grants: Support for Analyses in Substance Abuse.

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA), Office of Applied Studies, announces the availability of FY 2003 funds for the grant program described below. A synopsis of this funding opportunity, as well as many other Federal government funding opportunities, is also available at the Internet site: www.fedgrants.gov.

This notice is not a complete description of the program; potential applicants must obtain a copy of the Request for Applications (RFA), including Dissertation Grants OA-03-003 Programmatic Guidance, and PHS 398 Instructions, Face Page (Form Page 1), Description, Performance Sites, and Key Personnel (Form Page 2), Research Grant Table of Contents (Form Page 3), Checklist, Personal Data form pages and the Modular Budget, Biographical Sketch, and Resources format pages before preparing and submitting an application.

Funding Opportunity Title: SAMHSA Dissertation Grants: Support for Analyses in Substance Abuse—Short Title: Dissertation Grants.

Funding Opportunity Number: OA-03-003.

Catalog of Federal Domestic Assistance (CFDA) Number: 93.243.

Authority: Title V section 501(d) (8) of the Public Health Service Act, as amended and subject to the availability of funds.

Funding Instrument: G.

Funding Opportunity Description: The Substance Abuse and Mental Health Services Administration (SAMHSA), Office of Applied Studies, is accepting applications for Fiscal Year 2003 to support dissertation research involving data analysis on substance abuse service issues. The purpose of the program is to expand the number of researchers who conduct high-quality substance abuse services research, the study of how various factors (social, financial, organizational, and personal) affect the need for and access to substance abuse treatment, the quality and cost of substance abuse treatment and, ultimately, health and well being.

Eligible Applicants: Students registered and in good standing at an accredited academic doctoral degree program (e.g., Ph.D., Sc.D., or Dr.P.H.), which requires a dissertation based on original research, may apply. The student must apply through a public or private nonprofit institution that will administer the grant on his or her behalf. Students in such fields as sociology, psychology, biostatistics, epidemiology, economics, policy,
