CMS-10575 Generic Clearance for the Health Care Payment Learning and Action Network

Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. *Type of Information Collection Request:* Extension of a currently approved collection; *Title of Information Collection:* Generic Clearance for the Health Care Payment Learning and Action Network; *Use:* The Center for Medicare and Medicaid Services (CMS), through the Center for Medicare and Medicaid Innovation, develops and tests innovative new payment and service delivery models in accordance with the requirements of section 1115A and in consideration of the opportunities and factors set forth in

To more effectively partner with stakeholders across the health care system and accelerate system transformation, CMS launched the Health Care Payment Learning and Action Network (LAN) to accelerate the transition to Medicare and non-Medicare alternative payment models by collaborating with a broad array of health care delivery stakeholders, identifying best practices in their implementation, and monitoring the adoption of value-based alternative payment models across the U.S. health care system—to include the percentage of Medicare, Medicaid, and non-Medicare payments tied to (and U.S. lives covered by) alternative payment models that reward the quality of care delivered. *Form Number:* CMS-10575 (OMB control number: 0938-1297); *Frequency:* Occasionally; *Affected Public:* Individuals and Households, State, Local, or Tribal Governments, Federal Government, Private Sector (Business or other for-profits and Not-for-profits); *Number of Respondents:* 30,110; *Number of Responses:* 23,110; *Total Annual Hours:* 26,467. Submission for OMB Review; Child Support Portal Registration (OMB No.: 0970-0370)

AGENCY: Office of Child Support Enforcement, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Child Support Enforcement (OCSE), Administration for Children and Families (ACF), is requesting the federal Office of

Management and Budget (OMB) approve the “Child Support Portal Registration,” with revisions, for an additional three years. OCSE's Child Support Portal (“Portal”) contains applications to assist state child support agencies with administering their programs. Authorized Portal users must register with OCSE to access Portal applications and provide OCSE with certain preferences. The current OMB approval expires on February 28, 2022.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: OCSE's Division of Federal Systems maintains the Portal, which contains various applications that authorized users may view, update, and upload or download information for child support purposes. OCSE creates secure profiles for authorized users for employers, insurers, and financial institutions based on information provided in the Employer Services and Insurance Match Debt Inquiry Portal Registration forms. OCSE added the electronic National Medical Support Notice (e-NMSN), the electronic Incoming Withholding Order (e-IWO), and Multistate Financial Institution Data Match FAST Levy (MSFIDM FAST LEVY) Profile forms, which provide OCSE with information to set up the respective program user's process and capture preferences. State child support agencies manage and authenticate authorization for individual users via the state proxy server; therefore, a Portal Registration form is not required. State users must, however, provide OCSE with their respective Portal preferences.

Respondents: Employers, Financial Institutions, Insurers, and State Child Support Agencies.

Submission for OMB Review; "State SNAP Agency NDNH Matching Program Performance Report" (OMB No.: 0970-0464)

AGENCY: Office of Child Support Enforcement, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Child Support Enforcement (OCSE), Administration for Children and Families (ACF) is requesting the federal Office of Management and Budget (OMB)

approve the "State SNAP Agency NDNH Matching Program Performance Report," with minor revisions, for an additional three years. State agencies administering their Supplemental Nutrition Assistance Program (SNAP) provide the annual performance report to OCSE in accordance with the computer matching agreement between state SNAP agencies and OCSE. The current OMB approval expires on February 28, 2022.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: State agencies administering SNAP are mandated to participate in a computer matching program with the federal OCSE. The matching program compares SNAP applicant and recipient information with employment and wage information maintained in the National Directory of New Hires (NDNH). The outcomes of the compared information help state SNAP agencies with verifying and determining an individual's benefit eligibility. To receive NDNH information, state agencies enter into a computer matching agreement and adhere to its terms and conditions, including providing OCSE with annual performance outcomes that are attributable to the use of NDNH information.

To fulfill OMB requirements, OCSE periodically reports performance measurements demonstrating how the use of information in the NDNH supports OCSE's strategic mission, goals, and objectives. OCSE will provide the annual SNAP performance outcomes to OMB.

Respondents: State SNAP Agencies.
