

amended, were published for comment in the **Federal Register** on October 4, 2007.⁴ The Commission received no comments on the proposed rule changes. This order approves the proposed rule changes, as amended.

II. Description of the Proposals

Under section 8(c)(iii)(G) of the Plan for the Purpose of Creating and Operating an Intermarket Option Linkage ("Linkage Plan"),⁵ the Linkage Plan participants ("Participants") may amend the definition of the term "complex trade" from time to time. The Participants have agreed to change the definition of "complex trade" to extend the associated trade-through liability exemption to cover certain stock-option trades. Accordingly, each of the Exchanges has submitted a proposal that would amend each such Exchange's definition of "complex trade," set forth in the Exchange's respective rules pertaining to the Linkage, to include the execution of a stock-option order to buy or sell a stated number of units of an underlying stock or a security convertible into the underlying stock ("convertible security") coupled with the purchase or sale of option contract(s) on the opposite side of the market representing either (A) the same number of units of the underlying stock or convertible security, or (B) the number of units of the underlying stock or convertible security necessary to create a delta neutral position, but in no case in a ratio greater than eight option contracts per unit of trading of the underlying stock or convertible security established for that series by the Options Clearing Corporation.⁶

⁴ Securities Exchange Act Release No. 56555 (September 27, 2007), 72 FR 56814.

⁵ On July 28, 2000, the Commission approved a national market system plan for the purpose of creating and operating the Linkage proposed by Amex, CBOE, and ISE. See Securities Exchange Act Release No. 43086 (July 28, 2000), 65 FR 48023 (August 4, 2000). Subsequently, the Philadelphia Stock Exchange, Inc. ("Phlx"), Pacific Exchange, Inc. (n/k/a NYSE Arca, Inc.), and BSE joined the Linkage Plan. See Securities Exchange Act Release Nos. 43573 (November 16, 2000), 65 FR 70851 (November 28, 2000); 43574 (November 16, 2000), 65 FR 70850 (November 28, 2000); and 49198 (February 5, 2004), 69 FR 7029 (February 12, 2004).

⁶ The Exchanges propose to amend their respective rules that define "complex trade" for Linkage purposes, namely Amex Rule 940(b)(3), Boston Options Exchange Rule Chapter XII, Section 1(c), CBOE Rule 6.80(4), ISE Rule 1900(3), and NYSE Arca Rule 6.92(a)(4).

The Phlx filed a proposed rule change with the Commission to amend its definitions of "synthetic option" and "complex trade" to conform such definitions with the related "stock option" and "complex trade" definitions of the Exchanges. See Securities Exchange Act Release No. 56608 (October 3, 2007), 72 FR 57985 (October 11, 2007) (SR-Phlx-2007-40). The Commission is approving proposed rule change SR-Phlx-2007-40 in a separate order

III. Discussion

After careful review, the Commission finds that the proposed rule changes, as amended, are consistent with the requirements of the Act and the rules and regulations thereunder applicable to national securities exchanges.⁷ In particular, the Commission finds that the proposed rule changes, as amended, are consistent with the provisions of section 6(b)(5) of the Act,⁸ which requires, among other things, that national securities exchanges' rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and to perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Commission believes that by amending the definition of "complex trade" to include certain stock-option orders as described above, and by providing a consistent definition of "complex trade" in the rules of the Exchanges, the proposals may facilitate the execution of such complex orders.

IV. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁹ that the proposed rule changes (SR-Amex-2007-65; SR-BSE-2007-45; SR-CBOE-2007-64; SR-ISE-2007-44; SR-NYSEArca-2007-65), as amended, are approved.

November 7, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 25, 2007, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

The Amex proposes to delete the recently approved changes to its rules establishing a new class of off-floor market makers known as Designated Amex Remote Traders, or "DARTs."⁵

The text of the proposed rule change is available on the Amex's Web site at <http://www.amex.com>, the Amex's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set

forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

(1) Purpose

The Exchange proposes to delete the recently approved changes to its rules establishing a new class of off-floor market makers known as Designated Amex Remote Traders, or "DARTs." The Exchange plans to refile the proposed rule change with some revisions and subject to a new comment period. The Exchange is taking this action to facilitate the Commission's addressing, to the extent still germane, the substance of comments it previously received on the original filing.⁶

(2) Statutory Basis

The proposed rule change is consistent with section 6(b) of the Act,⁷ in general, and furthers the objectives of section 6(b)(5),⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the

Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

The Exchange has requested that the Commission waive the 30-day pre-operative period, so that the proposal may become operative as of the date of filing. The Commission hereby grants the Exchange's request. The Commission believes that such action is consistent with the protection of investors and the public interest, because the Exchange will be able to submit the revised DART proposal without delay and interested parties will have the benefit of a notice-and-comment period on the new proposal.¹¹

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
