Applications for New Awards for Fiscal Year 2003

AGENCY: Department of Education.

ACTION: Notice inviting applications for new awards for fiscal year (FY) 2003.

SUMMARY: This notice announces closing dates, priorities, and other information regarding the transmittal of grant applications for FY 2003 competitions under four programs authorized under part D, subpart 2 of the Individuals with Disabilities Education Act, as amended. The four programs are: (1) Special Education—Research and Innovation to Improve Services and Results for Children with Disabilities (five priorities); (2) Special Education—Personnel Preparation to Improve Services and Results for Children with Disabilities (four priorities); (3) Special Education—Technology and Media Services for Individuals with Disabilities (one priority) and (4) Special Education—Training and Information for Parents of Children with Disabilities (one priority).

Please note that significant dates for the availability and submission of applications, as well as important fiscal information, are listed in a table at the end of this notice.

Waiver of Rulemaking

It is generally our practice to offer interested parties the opportunity to comment on proposed priorities. However, section 661(e)(2) of IDEA makes the rulemaking procedures in the Administrative Procedure Act (5 U.S.C. 553) inapplicable to the priorities in this notice.

General Requirements

(a) The projects funded under this notice must make positive efforts to employ and advance in employment qualified individuals with disabilities in project activities (see section 606 of IDEA).

(b) Applicants and grant recipients funded under this notice must involve individuals with disabilities or parents of individuals with disabilities in

planning, implementing, and evaluating the projects (see section 661(f)(1)(A) of IDEA).

(c) The projects funded under these priorities must budget for a two-day Project Directors' meeting in Washington, DC during each year of the project.

(d) In a single application, an applicant must address only one absolute priority in this notice.

(e) If a project maintains a Web site, it must include relevant information and documents in an accessible form.

Page Limit: If you are an applicant, Part III of each application, the application narrative, is where you address the selection criteria that are used by reviewers in evaluating the application. You must limit Part III to the equivalent of no more than the number of pages listed in the table at the end of this notice, using the following standards:

- A "page" is 8.5" × 11" (on one side only) with one-inch margins (top, bottom, and sides).
- Double-space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, and captions, as well as all text in charts, tables, figures, and graphs.
- Use a font that is either 12-point or larger or no smaller than 10 pitch (characters per inch).

The page limit does not apply to Part I—the cover sheet; Part II—the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the one-page abstract, the resumes, the bibliography or references, or the letters of support. However, you must include all of the application narrative in Part III.

We will reject without consideration or evaluation any application if —

- You apply these standards and exceed the page limit; or
- You apply other standards and exceed the equivalent of the page limit.

Application Procedures

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Project for Electronic Submission of Applications

In Fiscal Year 2003, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The four programs in this announcement: Research and Innovation to Improve Services and Results for Children with Disabilities—CFDA 84.324, Personnel Preparation to Improve Services and Results for Children with Disabilities—CFDA 84.325, Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities—CFDA 84.326, and Training and Information for Parents of Children with Disabilities—CFDA 84.328 are included in the pilot project. If you are an applicant for a grant under any of the four programs, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application) portion of the Grant Administration and Payment System (GAPS). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value or penalty because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format. When you enter the e-Application system, you will find information about its hours of operation.
- You can submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).
- Within three working days of submitting your electronic application, fax a signed copy of the Application for
