SUPPLEMENTARY INFORMATION:

Background

On January 31, 2023, we received a timely request for an administrative review from the petitioner¹ and BGH.² On March 14, 2023, Commerce published a notice of initiation of an administrative review of the countervailing duty (CVD) order on fluid end blocks from Germany.³ On April 20, 2023, we selected BGH and Schmiedewerke Gröditz GmbH (SWG) as mandatory respondents in this administrative review.⁴ On September 27, 2023, Commerce extended the deadline for the preliminary results of this review until January 31, 2024.⁵

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶ A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

The products covered by the *Order* are fluid end blocks from Germany. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

On April 28, 2023, the petitioner timely withdrew its requests for an administrative review with respect to Schmiedewerke Gröditz GmbH (SWG), voestalpine Bohler Welding Group GmbH (VBG), Buderus Edelstahl GmbH (Buderus), Deutsche Edelstahlwerke GmbH (Edelstahlwerke), and Saarschmiede GmbH FreiformSchmiede (SSF).⁷ On May 3, 2023, Commerce notified interested parties that it had suspended the questionnaire response deadlines for SWG based on the petitioners' timely withdrawal of its requests for an administrative review with respect to all companies except for BGH.⁸ As no other party requested a review of the above-referenced five companies, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to SWG, VBG, Buderus, Edelstahlwerke, and SSF. For additional information regarding this determination, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁹ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rate for the POR January 1, 2022, through December 31, 2022:

⁷ See Petitioner's Letter, "Petitioners' Withdrawal of Request for 2022 Administrative Review for Certain Entities," dated April 28, 2023.

⁸ See Memorandum, "Suspension of Questionnaire Response Deadline," dated May 3, 2023.

⁹ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Assessment Rate

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned a subsidy rate in the amount shown above for BGH. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies in which this review is rescinded, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2022, through December 31, 2022, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue assessment instructions to CBP no earlier than 35 days after the date of

publication of this notice in the **Federal Register**.

For BGH, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown for BGH (and its cross-owned affiliates) listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific, or all others rate (*i.e.*, 6.29 percent),¹⁶ applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: January 31, 2024.
