SUPPLEMENTARY INFORMATION:

I. Background

Section 2(a) of the Service Contract Act (41 U.S.C. 351) provides that every contract subject to the Act must contain a provision specifying the minimum monetary wages and fringe benefits to be paid to the various classes of service employees performing work on the contract. This information collection pertains to records needed to determine an employee's seniority for purposes of determining any vacation benefit, to conform wage rates where they do not appear on a wage determination (WD), and to update WDs because of changing terms in a collective bargaining agreement. This information collection is currently approved for use through September 30, 2007.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other

technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

NUCLEAR REGULATORY COMMISSION

Agency Information Collection Activities: Submission for the Office of Management and Budget (OMB) Review; Comment Request

AGENCY: U.S. Nuclear Regulatory Commission (NRC).

ACTION: Notice of the OMB review of information collection and solicitation of public comment.

SUMMARY: The NRC has recently submitted to OMB for review the following proposal for the collection of information under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

1. *Type of submission, new, revision, or extension:* Extension.

2. *The title of the information collection:*

NRC Form 136, "Security Termination Statement",

NRC Form 237, "Request for Access Authorization",

NRC Form 277, "Request for Visit".

3. *The form number if applicable:*

NRC Form 136,

NRC Form 237,

NRC Form 277.

4. *How often the collection is required:* On occasion.

5. *Who will be required or asked to report:* NRC Form 136, any employee of 68 licensees and 7 contractors, who has been granted an NRC access authorization; NRC Form 237, any employee of approximately 68 licensees and 7 contractors who will require access authorization. NRC Form 277, any employee of 2 current NRC contractors who holds an NRC access authorization, and needs to make a visit to NRC, other contractors/licensees or government agencies in which access to classified information will be involved or unescorted area access is desired.

6. *An estimate of the number of annual responses:*

NRC Form 136: 225.

NRC Form 237: 420.

NRC Form 277: 6.

7. *The estimated number of annual respondents:*
