

DEPARTMENT OF TRANSPORTATION**Federal Highway Administration****Environmental Impact Statement:
South Kohala, HI**

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Intent.

SUMMARY: The FHWA is issuing this notice to advise the public that an Environmental Impact Statement (EIS) will be prepared for a proposed highway project in South Kohala, Hawaii.

FOR FURTHER INFORMATION CONTACT: Mr. Abraham Wong, Hawaii Division Administrator, Federal Highway Administration, Office Address: 300 Ala Moana Blvd., Room 3-306, Honolulu, Hawaii 96813, Mailing Address: Box 50206, Honolulu, Hawaii 96850, Telephone: (808) 541-2700.

SUPPLEMENTARY INFORMATION: The FHWA in cooperation with the State of Hawaii, Department of Transportation, Highways Division, will prepare an Environmental Impact Statement (EIS) for a new highway from Waimea Town to Kawaihae Harbor. The project will provide improved highway, approximately 14 miles in length, which will facilitate the movement of goods and people between Central and West Hawaii. The new highway would also be supportive of anticipated heavier traffic demands and special needs, including the movement of military and commercial truck traffic.

In addition to several highway alignments, the project will analyze various other alternatives, including: (1) no action and (2) transportation system management strategies.

A letter describing the proposed action and soliciting comments has been sent to appropriate Federal, State and local agencies, and to private organizations and individuals, who have expressed an interest in this project. Several interagency and public scoping meetings will soon be scheduled. A public hearing will be held after publication of the project's draft EIS; public notice will be given of the time and place of the hearing. In addition, the draft EIS will be available for public and agency review and comment prior to the public hearing.

To ensure that the full range of issues related to this proposed action are addressed and all significant issues identified, comments and suggestions are invited from all interested parties. Comments or questions concerning this proposed action and the EIS should be directed to the FHWA at the above address.

The Department of Veterans Affairs (VA) gives notice under Public Law 92-463 (Federal Advisory Committee Act) that a meeting of the Scientific Review and Evaluation Board for Health Services Research and Development Service will be held at the Safety Harbor Resort, 105 North Bay Shore Drive, Safety Harbor, Tampa, FL 34695, from January 22-24, 2003. The Nursing Research Initiative (NRI) review will convene on January 22, 2003, from 8 a.m.-1 p.m. The Investigator Initiated Research (IIR) review will convene from 1 p.m. until 5 p.m. and 7 p.m. until 9 p.m. on January 22, 2003, from 8 a.m. until 5 p.m. on January 23, 2003, and from 8 a.m. until 5 p.m. on January 24, 2003.

The purpose of the meeting is to review research and development applications concerned with the measurement and evaluation of health care services and with testing new methods of health care delivery and management, and nursing research. Applications are reviewed for scientific and technical merit. Recommendations regarding funding are prepared for the

Chief Research and Development Officer.

The Investigator Initiated Research review meeting will be open to the public on January 22 for approximately one half-hour from 7 p.m. until 7:30 p.m. to cover administrative matters and to discuss the general status of the program. The closed portion of the meeting involves discussion, examination, reference to, and oral review of staff and consultant critiques of research protocols and similar documents. During this portion of the meeting, discussion and recommendations will include qualifications of the personnel conducting the studies (the disclosure of which would constitute a clearly unwarranted invasion of personal privacy), as well as research information (the premature disclosure of which would be likely to frustrate significantly the implementation of proposed agency action regarding such research projects). As provided by the subsection 10(d) of Public Law 92-463, as amended by Public Law 94-409, closing portions of these meetings is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B).

DATES: For VA determinations, the 2001 poverty threshold is effective September 24, 2002, the date on which it was established by the Bureau of the Census.

FOR FURTHER INFORMATION CONTACT: Paul Trowbridge, Consultant, Compensation and Pension Service, Veterans Benefits Administration, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 273-7218.

SUPPLEMENTARY INFORMATION: We published a final rule amending 38 CFR 4.16(a) in the **Federal Register** of August 3, 1990, 55 FR 31,579.
