Notice of Required Determinations, Contract Provisions and Opportunity to Comment: The Comprehensive Environmental Response, Compensation, and Liability Act of 1980 ("CERCLA") as amended, (commonly known as "Superfund") requires completion of enforcement activities at Superfund sites in concert with other site events. EPA has entered into a contract, No. GS-10F-0168J, delivery order No. 0901, with TechLaw, Inc. for Superfund Enforcement Support Services-Emergency Response Enforcement ("SESS9-ERE"). These services will be provided to EPA by SAIC and its subcontractors: Jonas and Associates, Inc. of Martinez, CA and PPC Land Consultants, Inc. of Dixon, CA. EPA has determined that disclosure of CBI to SAIC employees, and its subcontractors' employees, is necessary in order that SAIC may carry out the work required by that contract with EPA. The information EPA intends to disclose includes submissions made by Potentially Responsible Parties to EPA in accordance with EPA's enforcement activities at Superfund sites. The information would be disclosed to the contractor and its subcontractor for any of the following reasons: to assist with document handling, inventory, and indexing; to assist with document review and analysis; to verify completeness; and to provide technical review of submittals. The contract complies with all requirements of 40 CFR 2.310(h)(2). EPA Region 9 will require that each SAIC employee and subcontractor employee sign a written agreement that he or she: (1) Will use the information only for the purpose of carrying out the work required by the contract, (2) shall refrain from disclosing the information to anyone other than EPA without prior written approval of each affected business or of an EPA legal office, and (3) shall return to EPA all copies of the information (and any abstracts or extracts therefrom) upon request from the EPA program office, whenever the information is no longer required by SAIC and its subcontractors for performance of the work required by the contract or upon

completion of the contract or subcontract.

Dated: October 25, 2004.

Nancy Lindsay,

Deputy Director, Superfund Division, Region 9.

Workshop on Lead in Drinking Water in Schools and Child Care Facilities

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: The U.S. Environmental Protection Agency (EPA) is holding a workshop to discuss issues concerning lead in drinking water in schools and child care facilities. The EPA recognizes that lead in drinking water most often occurs within the distribution system and the Agency is especially concerned about its effects on vulnerable populations, such as children. The EPA is hosting this workshop to discuss experiences and options with national experts in drinking water and children's health and education. The workshop participants will discuss best practices to promote awareness and water testing in schools and child care facilities, linkages between water suppliers and school officials, school and child care facilities participation in voluntary programs, and the Lead and Copper Rule and Lead Contamination Control Act as they apply to schools and child care facilities. The EPA has been working with the Department of Education to plan this event.

DATES: The workshop will be held on December 7, 2004, 8:30 a.m. to 5:30 p.m. Eastern time.

ADDRESSES: The workshop will be held at the Wyndham Washington Hotel, 1400 M Street NW., Washington, DC 20005.

FOR FURTHER INFORMATION CONTACT: To attend this workshop as an observer registration is required. Attendance as an observer is limited to the first 50 people to register. To register by phone, please contact Sarah Koppel at 202-564-3859, or register by e-mail at koppel.sarah@epa.gov. For administrative meeting information and technical information contact Lisa Christ, Office of Water, Office of Ground Water and Drinking Water, U.S. EPA, 1200 Pennsylvania Ave., NW., (MC 4606M), Washington, DC 20460, at 202-

564-8354 or by e-mail at christ.lisa@epa.gov.

SUPPLEMENTARY INFORMATION: There is no charge for attending this workshop as an observer, but seats are limited, so register as soon as possible. Any person needing special accommodations at the meeting, including wheelchair access, should make this known at the time of registration.

Dated: November 1, 2004.

Cynthia C. Dougherty,

Director, Office of Ground Water and Drinking Water.
