Collection of Information

Title: General Admissions Applications (Long and Short) and Stipend Forms.

Type of Information Collection: Revision of a currently approved information collection.

OMB Number: 1660-0100.

Form Titles and Numbers: The form numbers have changed in accordance with the Federal Enterprise Architecture (FEA) numbering system. FEMA Form 119-25-0-1, General Admissions Application; FEMA Form 119-25-0-3, Student Stipend Agreement; FEMA Form 119-25-0-4, Student Stipend Agreement (Amendment); FEMA Form 119-25-0-5, National Fire Academy Executive Fire Officer Program Application for Admission; and FEMA Form 119-25-0-6, Training Registration Form.

Abstract: FEMA provides training to advance the professional development of personnel engaged in fire prevention and control and emergency management activities through its Center for Domestic Preparedness, Emergency Management Institute, National Fire Academy, National Training and Education Division, National Domestic Preparedness Consortium, and Rural Domestic Preparedness Consortium. FEMA Form 119-25-0-1 has an increase in the number of respondents from 25,000 to 52,000 (+27,000) because FEMA is replacing all existing General Admissions Application and Training Registration forms with a single FEMA-wide form which will be submitted as a paper version or using an on-line application process. The FEMA Form 119-25-0-6 has been created for those courses where less information is required from the respondent. It is expected that 154,500 respondents will use this form requiring 15,450 burden hours. The FEMA Form 119-25-2 (reduction of 80,000 respondents and 8,000 burden hours) is being eliminated and being replaced by the FEMA Form 119-25-0-1.

Estimated Number of Respondents: 214,300.

Estimated Total Annual Burden Hours: 24,400.

Estimated Cost: 2,063,978.

Dated: April 20, 2016.
