

U.S. Requiring final assembly to be performed in the U.S. is consistent with past guidance to FHWA Division Offices on manufactured products (see Memorandum on Buy America Policy Response, Dec. 22, 1997, <http://www.fhwa.dot.gov/programadmin/contracts/122297.cfm>). A waiver of the Buy America requirement without any regard to where the vehicle is assembled would diminish the purpose of the Buy America requirement. Moreover, in today's economic environment, the Buy America requirement is especially significant in that it will ensure that Federal Highway Trust Fund dollars are used to support and create jobs in the U.S. This approach is similar to the conditional waivers previously given for various vehicle projects. Thus, so long as the final assembly of the 74 State projects occurs in the U.S., applicants to this waiver request may proceed to purchase these vehicles and equipment consistent with the Buy America requirement.

In accordance with the provisions of section 117 of the "Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users, Technical Corrections Act of 2008" (Pub. L. 110–244), FHWA is providing this notice of its finding that a public interest waiver of Buy America requirements is appropriate on the condition that the vehicles and equipment identified in the notice be assembled in the U.S. The FHWA invites public comment on this finding for an additional 15 days following the effective date of the finding. Comments may be submitted to FHWA's Web site via the link provided to the waiver page noted above.

SUPPLEMENTARY INFORMATION:

Title: Income, Asset and Employment Statement and Application for Veterans Pension.

OMB Control Number: 2900–0002.

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 21P–527EZ—The Department of Veterans Affairs (VA), through its Veterans Benefits Administration (VBA), administers an integrated program of benefits and services, established by law, for veterans, service personnel, and their dependents and/or beneficiaries. Title 38 U.S.C. 5101(a) provides that a specific claim in the form provided by the Secretary must be filed in order for benefits to be paid to any individual under the laws administered by the Secretary. VA Form 21P–527EZ will be the prescribed form for Veterans Pension applications.

VA proposes to remove VA Form 21–527EZ, Application for Veterans Pension, from OMB control number 2900–0747 and have it assigned to OMB control number 2900–0002 since the form has been transferred to Pension & Fiduciary Service (21P). Also, due to the change in business lines, we are changing the form prefix to 21P.

VA Form 21P–527—This form will be used by Veterans to apply for pension benefits after they have previously applied for pension or for service-connected disability compensation using one of the prescribed forms under 38 U.S.C. 5101(a). A veteran might reapply for pension if a previous compensation or pension claim was denied or discontinued, or if the veteran is receiving compensation and the veteran now believes that pension would be a greater benefit.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
