AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (the "Corporation"), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, the Corporation is soliciting comments concerning its AmeriCorps Application Instructions: States without Commissions. These application instructions are used by current and prospective grantees to apply for funds for these programs.

Copies of the information collection request can be obtained by contacting the office listed in the address section of this notice.

DATES: Written comments must be submitted to the individual and office listed in the **ADDRESSES** section by December 11, 2006.

SUPPLEMENTARY INFORMATION: The Corporation is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are expected to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submissions of responses).

Background: AmeriCorps grants are generally awarded to eligible organizations to recruit, train, and manage AmeriCorps members who address unmet community needs. AmeriCorps members are individuals who engage in community service. Members may receive a living allowance during their term of service. Upon successful completion of their service members receive an education award from the National Service Trust.

Roughly three quarters of all AmeriCorps grant funding goes to Governor-appointed state service commissions which award subgrants to nonprofit organizations in their States. The AmeriCorps Application Instructions: States without Commissions, are used by applicants interested in these programs. The application is completed electronically using eGrants, the Corporation's Web-based grants management system.

Current Action: The Corporation seeks to separate the current application instructions into two separate sets of instructions in order to increase clarity and ease of use. The application will be used in the same manner as the existing application. The Corporation also seeks to continue using the current application instructions until the revised application instructions are

approved by the Office of Management and Budget (OMB). The current application instructions are due to expire on April 30, 2009.

BILLING CODE 6050--\$S-P

DEPARTMENT OF DEFENSE

Office of the Secretary

TRICARE; Civilian Health and Medical Program of the Uniformed Services (CHAMPUS); Fiscal Year 2007 Diagnosis Related Group (DRG) Updates

AGENCY: Office of the Secretary, DoD.

ACTION: Notice of DRG revised rates.

SUMMARY: This notice describes the changes made to the TRICARE DRG-based payment system in order to conform to changes made to the Medicare Prospective Payment System (PPS).

It also provides the updated fixed loss cost outlier threshold, cost-to-charge ratios and the Internet address for accessing the updated adjusted standardized amount and DRG relative weights to be used for FY 2007 under the TRICARE DRG-based payment system.

DATES: *Effective Dates:* The rates, weights and Medicare PPS changes which affect the TRICARE DRG-based payment system contained in this notice are effective for admissions occurring on or after October 1, 2006.

ADDRESSES: TRICARE Management Activity (TMA), Medical Benefits and Reimbursement Systems, 16401 East Centretech Parkway, Aurora, CO 80011-9066.

FOR FURTHER INFORMATION CONTACT: Ann N. Fazzini, Medical Benefits and Reimbursement Systems, TMA, telephone (303) 676-3803.

Questions regarding payment of specific claims under the TRICARE DRG-based payment system should be addressed to the appropriate contractor.

SUPPLEMENTARY INFORMATION: The final rule published on September 1, 1987 (52 FR 32993) set forth the basic procedures used under the CHAMPUS DRG-based payment system. This was subsequently amended by final rules published August 31, 1988 (53 FR 33461), October 21, 1988 (53 FR 41331), December 16, 1988 (53 FR 50515), May 30, 1990 (55 FR 21863), October 22, 1990 (55 FR 42560), and September 10, 1998 (63 FR 48439).

An explicit tenet of these final rules, and one based on the statute authorizing the use of DRGs by TRICARE, is that the TRICARE DRG-based payment system is modeled on the Medicare PPS, and that, whenever practicable, the TRICARE system will follow the same rules that apply to the Medicare PPS. The Centers for Medicare and Medicaid Services (CMS) publishes these changes annually in the **Federal Register** and discusses in detail the impact of the changes.

In addition, this notice updates the rates and weights in accordance with our previous final rules. The actual changes we are making, along with a description of their relationship to the Medicare PPS, are detailed below.
