

During the CCP planning process, the Service will evaluate: Methods for enhancing the wildlife and habitat resources, water supply and quality, mosquito control/public health, long-term easement compliance monitoring, and future acquisitions. Visitor service opportunities on fee title lands will also be evaluated.

Public Meetings

We will give the public an opportunity to provide input at public meetings. You can obtain the schedule from the planning team leader or project leader (*see ADDRESSES*). You may also submit comments anytime during the planning process by mail, e-mail, or fax (*see ADDRESSES*). There will be additional opportunities to provide public input once we have prepared a draft CCP.

Public Availability of Comments

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: November 20, 2009.

Ren Lohofener,

Regional Director, Pacific Southwest Region, Sacramento, California.

Notice of Realty Action: Recreation and Public Purposes Act Sale Classification; Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM) has determined that certain public lands in Custer County, Idaho are suitable for classification for conveyance to the Custer County Commission, under authority of the Recreation and Public Purposes (R&PP) Act, June 14, 1926, (43 U.S.C. 869 *et seq.*) as amended.

DATES: Comments regarding the proposed classification for conveyance must be received by January 14, 2010.

ADDRESSES: Detailed information concerning this action, including but not limited to documentation related to compliance with applicable environmental and cultural resource laws, is available for review at the BLM Challis Field Office. Address all written comments concerning this Notice to David Rosenkrance, BLM Challis Field Office Manager, 1151 Blue Mountain Road, Challis, Idaho 83226-9304.

FOR FURTHER INFORMATION CONTACT: Tim Vanek, Realty Specialist, BLM Challis Field Office, (208) 879-6218, or by e-mail at: timothy_vanek@blm.gov.

SUPPLEMENTARY INFORMATION: The Challis Shooting Range is approximately 2½ miles north of Challis, Idaho and approximately 0.8 mile west of Challis Creek Road. The public land portion of the Challis Shooting Range has been examined and found suitable for conveyance to the Custer County Commission under the provisions of the R&PP Act, as amended. The subject parcel is at the following legal land description:

Boise Meridian

T. 14 N., R. 19. E.,
Sec. 17, N½SW¼.

The area described contains approximately 80 acres in Custer County.

The 80 acres is currently authorized under an R&PP lease, identified with BLM serial number IDI-14152-01, to the Custer County Commission, and operated and managed by the Central Idaho Rod & Gun Club (CIRGC), which is a non-profit organization. The current lease was originally granted in July 1981 and renewed in November 2006. To comply with the R&PP Act, as amended and current BLM policy found in Instruction Memorandum 2008-074 (Change 1) dated December 2, 2008, the renewal decision included a bar on further renewals. The lease will expire in November 2011.

CIRGC developed the subject parcel with a rifle range, rifle shooting stations/benches with overhead cover, target backstops at 100-yard intervals out to 600-yards, and a two-track road extending the length of the range. Also, as a part of the rifle range, CIRGC uses a 1000-yard backstop which is an earthen berm. However, it is not part of the 80-acres currently authorized by the R&PP lease, nor is it listed for disposal in the BLM Challis Resource Management Plan. Hence, it is not part of this sale classification. The subject parcel is adjacent to private property owned by the CIRGC which developed the site with a clubhouse, access road and parking area, shotgun trap shooting stations, pistol range, and a public restroom.

The Custer County Commission proposes to use the land to continue operation of the Challis Shooting Range. Custer County holding R&PP title to the subject parcel would also provide the CIRGC freedom to make future improvements to the facility. There are no other use authorizations on the subject parcel. Conveyance of the subject parcel is consistent with the
