SUPPLEMENTARY INFORMATION:

Background

In recent years, nanotechnology has become an increasing focus of U.S. and global research and development efforts. As with many technological advances, novel materials are created, and as a result, the potential exists for new and unanticipated human exposures for which the impact on human health is unknown. The NTP is developing a broad-based research program to address potential human health hazards associated with the manufacture and use of nanoscale materials. This research program will include studies of nanoscale materials that apply existing and novel toxicological methods to assess potential health effects associated with exposure to these materials. In order to enhance public and stakeholder input into this program, the NTP has established the Nanotechnology Working Group to provide advice to the NTP Board of Scientific Counselors on NTP nanotechnology research. Additional information on the NWG, including charge and roster, is available at the NTP Web site (<http://ntp.niehs.nih.gov/select/AdvisoryBoard&Committees>).

Preliminary Agenda

NTP Board of Scientific Counselors Nanotechnology Working Group (NWG); National Institute of Environmental Health Sciences, Rodbell Auditorium B, Rall Building, 111 T. W. Alexander Drive, Research Triangle Park, NC 27709. (A photo ID is required to access the NIEHS campus.)

12:30 p.m.:

- Call to Order and Introductions.
- Welcome and Remarks from the National Toxicology Program (NTP).
- Structure and Goals of the NWG.
- Overview of the National Nanotechnology Initiative (NNI).
- U.S Federal Agency Efforts in Nanotechnology.
 - National Toxicology Program.
 - National Institute of Environmental Health Sciences.
 - National Institute for Occupational Safety and Health.
 - Food and Drug Administration.
 - Environmental Protection Agency.
- Public Comment.
- General Discussion.

Attendance and Registration

The meeting is scheduled for June 24, 2005, from 12:30 p.m. to adjournment (approximately 4:30 p.m.) and is open to

the public with attendance limited only by the space available. Please note that a photo ID is required to access the NIEHS campus. The NTP is making plans to videocast the meeting through the Internet at <http://www.niehs.nih.gov/external/video.htm>.

Request for Comments

Public input at this meeting is invited. Each organization is allowed one time slot per agenda topic. At least 7 minutes will be allotted to each speaker, and if time permits, may be extended to 10 minutes. Registration for oral comments will also be available on-site, although time allowed for presentation by on-site registrants may be less than that for pre-registered speakers and will be determined by the number of persons who register at the meeting.

Persons registering to make oral comments are asked, if possible, to send a copy of their statement to the NWG Executive Secretary (*see FOR FURTHER INFORMATION CONTACT* above) by June 17, 2005, to enable review by the NTP Board and NIEHS/NTP staff prior to the meeting. Written statements can supplement and may expand the oral presentation. If registering on-site and reading from written text, please bring 40 copies of the statement for distribution to the NWG and NIEHS/NTP staff and to supplement the record. Written comments received in response to this notice will be posted on the NTP Web site. Persons submitting written comments should include their name, affiliation, mailing address, phone, fax, e-mail, and sponsoring organization (if any) with the document.

Dated: May 23, 2005.
