Hewlett Packard Inkjet and Web Solutions Division Including On-Site Leased Workers From CDI, Manpower, Securitas Security Services USA, Volt, Cable Consultants, D/B/A Black Box Network Services, Managed Business Solutions, 888 Consulting Group, Inc., D/B/A TAC Worldwide, Finesse Personnel, Techlink Systems, Inc., and Lyonbridge, Corvallis, OR; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on September 19, 2008, applicable to workers of Hewlett Packard, Inkjet and Web Solutions Division, including on-site leased workers from CDI, Manpower, Securitas Security Services USA and Volt, Corvallis, Oregon. The notice was published in the **Federal Register** on October 3, 2008 (73 FR 57682). The certification was amended on December 4, 2008 and February 20, 2009 to include on-site leased workers from Cable Consultants, d/b/a Black Box Network Services, Managed Business Solutions and 888 Consulting Group, Inc., d/b/a TAC Worldwide. The notices were published in the **Federal Register** on December 15, 2008 (73 FR 76058) and March 4, 2009 (74 FR 9431-9432).

At the request of State Agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of inkjet supplies, particularly in jet printer cartridge heads.

New information shows that workers leased from Finesse Personnel, Techlink Systems, Inc. and Lyonbridge were employed on-site at the Corvallis, Oregon location of Hewlett Packard, Inkjet and Web Solutions Division. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include leased workers from Finesse Personnel, Techlink Systems, Inc. and Lyonbridge working on-site at the Inkjet and Web Solutions Division, Corvallis, Oregon location of the subject firm.

The amended notice applicable to TA-W-63,939 is hereby issued as follows:

All workers of Hewlett Packard, Inkjet and Web Solutions Division, including on-site leased workers from CDI, Manpower, Securitas Security Services USA, Volt, Managed Business Solutions, 888 Consulting Group, Inc., d/b/a TAC Worldwide, Finesse Personnel, Techlink Systems, Inc. and Lyonbridge, Corvallis, Oregon, engaged in the production of inkjet supplies, who became totally or partially separated from employment on or after August 26, 2007, through September 19, 2010, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC, this 18th day of September 2009.

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: This notice announces a change in benefit period eligibility under the EB program for New Mexico.

The following change has occurred since the publication of the last notice regarding New Mexico's EB status:

- New Mexico's TUR for July 2009, released on August 21, 2009, by the Bureau of Labor Statistics, brought its three-month average seasonally adjusted

TUR to the threshold for triggering "on" to an extended benefit period. For weeks of unemployment beginning on September 6, 2009, eligible unemployed workers will be able to collect up to an additional 13 weeks of unemployment insurance benefits.

Information for Claimants

The duration of benefits payable in the EB program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the states by the U.S. Department of Labor. In the case of a state beginning an EB period, the State Workforce Agency will furnish a written notice of potential entitlement to each individual who has exhausted all rights to regular benefits and is potentially eligible for EB (20 CFR 615.13 (c) (1)). Persons who believe they may be entitled to EB or who wish to inquire about their rights under the program should contact their State Workforce Agency.
