RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Withholding Certificate for Railroad Retirement Monthly Annuity Payments; OMB 3220–0149.

The Internal Revenue Code requires all payers of tax liable private pensions to U.S. citizens to: (1) Notify each recipient at least concurrent with initial withholding that the payer is, in fact, withholding benefits for tax liability and that the recipient has the option of electing not to have the payer withhold, or to withhold at a specific rate; (2) withhold benefits for tax purposes (in the absence of the recipient's election not to withhold benefits); and (3) notify all beneficiaries, at least annually, that they have the option of changing their withholding status or elect not to have benefits withheld.

The Railroad Retirement Board provides Form RRB W–4P, Withholding Certificate for Railroad Retirement Payments, to its annuitants to exercise their withholding options. Completion of the form is required to obtain or retain a benefit. One response is requested of each respondent.

No changes are being proposed to the current version of Form RRB W–4P used by the RRB. The RRB estimates that 20,000 annuitants utilize Form RRB W–4P annually. The completion time for Form RRB W–4P varies depending on individual circumstances. The average completion time for Form RRB W–4P is estimated at 40 minutes for recordkeeping, 25 minutes for learning about the law or the form, and 59 minutes for preparing the form.
