SUPPLEMENTARY INFORMATION: On July 27, 2016, the Commission instituted this investigation based on a complaint filed by Schütz Container Systems Inc. ("Schütz") of North Branch, New Jersey. 81 FR 49265. The complaint alleges

violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337") based upon the importation into the United States or sale of certain composite intermediate bulk containers by reason of infringement of certain trade dress, the threat or effect of which is to substantially destroy or injure a domestic industry. *Id.* The Commission's Notice of Investigation named as the sole respondent Zhenjiang Runzhou Jinshan Packaging Factory ("Zhenjiang") of Hengshun Zhenjiang, China. *Id.* The Office of Unfair Import Investigations was also named as a party to this investigation. *Id.*

On February 22, 2017, the administrative law judge ("ALJ") issued Order No. 13, the subject ID, which granted an unopposed motion filed by Schütz to terminate the investigation based on the withdrawal of the complaint. The ALJ found that the motion complied with the Commission's rules for the termination of investigations, that no extraordinary circumstances prevented the termination of the investigation, and that termination of the investigation is in the public interest. No party filed a petition seeking review of the subject ID.

The Commission has determined not to review the subject ID. This investigation is terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).
