#### **Background**

Glider towing is not currently specified as a restricted category special purpose flight operation, although a similar activity such as banner towing is accepted. Following a request by the Soaring Society of America, we propose that glider towing be accepted as a new special purpose in restricted category, limited to civil-derived restricted category aircraft certificated under 14 CFR 21.25(a)(1). This action is intended to increase the number of airplanes available to glider clubs throughout the country by making available to them tow aircraft that are currently
