

contract to adopt the Requirements. NFA has identified a trend where some Members encourage their customers to take on riskier out-of-the-money options at a cost just below \$100. Because in NFA's view these positions are much less likely to be liquidated and charged a liquidation fee, the total cost remains under the \$100 threshold. NFA states that the proposed rule change may increase the number of Members subject to the Requirements because option contracts that would result in total commission, fees and other charges of \$100 or more if the trade was liquidated will be deemed to have been charged \$100 even if the trade is not liquidated. NFA believes that the additional burden is necessary, however, because Members that engage in this practice are clearly within the group of Members that NFA's Board believed should be subject to the enhanced Requirements when it chose to use high commissions and fees as a trigger for imposing the Requirements.

NFA believes that the proposed provision that changes a Member's reporting obligation with respect to its report on compliance with the Requirements will also lessen the burden on Members. Under this provision, a Member will be permitted to file this report on a quarterly rather than monthly basis.

NFA believes that the final two proposed revisions do not add any burden to competition because they are merely clarifying current requirements. One proposed rule change would add language that NFA believes makes it clear that a Member that receives a full or partial waiver is still deemed to be a Member that has met the criteria for purposes of the Notice. Another proposed rule change would add the word "current" before the term "Disciplined Firm" in four relevant places in order to clarify that a "five year" Disciplined Firm will no longer be a Disciplined Firm for purposes of triggering the Requirements once the firm is dropped from the "five year" list.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

NFA states that it worked with its Member Advisory Committees in developing the rule change. NFA did not, however, publish the rule change to its membership for comment. NFA states that it did not receive comment letters concerning the rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

On October 20, 2010, the CFTC notified NFA that it had approved the rule change, and therefore, NFA is permitted to make the amendments effective as of this date.

Within 60 days of the date of effectiveness of the proposed rule change, the Commission, after consultation with the CFTC, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of Section 19(b)(1) of the Act.

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions to OMB-approved information collections.

Mail, e-mail, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, *Attn:* Desk Officer for SSA. *Fax:* 202-395-6974. *E-mail address:* OIRA_Submission@omb.eop.gov.

1. *Request for Waiver of Overpayment Recovery or Change in Repayment Notice—20 CFR 404.502–404.513, 404.515, 20 CFR 416.550–416.570, and 416.572—0960–0037.* When Social Security beneficiaries and Supplemental Security Income (SSI) recipients receive an accidental overpayment of benefits, they must repay the amount of the

overpayment. These beneficiaries and recipients can use Form SSA–632–BK to take one of three actions: (1) Request an exemption from repaying, as recovery of the payment would cause financial hardship; (2) inform SSA they want to repay the overpayment at a monthly rate over a period longer than 36 months; and (3) request a different rate of

recovery. In the latter two cases, the respondents must also provide financial information to SSA to help the agency determine how much the overpaid person can afford to repay each month. Respondents are overpaid beneficiaries or SSI recipients who are requesting a waiver of recovery of an overpayment or a lesser rate of withholding.

If disability claimants attempt to return to work after receiving payments, but are unable to continue working, they submit Form SSA–3033, Employee Work Activity Questionnaire, so SSA can evaluate their work attempt. SSA uses this form to evaluate unsuccessful subsidy work and determine applicants' continuing eligibility for disability payments. The respondents are employers of Social Security disability beneficiaries and SSI recipients who unsuccessfully attempted to return to work.
