I. Funding Opportunity Description

Purpose of Program: The purpose of the MEP Consortium Incentive Grant program is to provide incentive grants to State educational agencies (SEAs) that participate in a consortium with one or more other SEAs or other appropriate entities to improve the delivery of services to migrant children whose education is interrupted. Through this program, the Department provides financial incentives to SEAs to participate in high-quality consortia to improve the intrastate and interstate coordination of migrant education programs by addressing key needs of migratory children whose education is interrupted.

Priorities: These priorities are from the notice of final requirements for this program, published in the **Federal Register** on March 3, 2004 (69 FR 10110), and from the notice of final priority for this program, published in the **Federal Register** on March 12, 2008 (73 FR 13217).
