Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION:

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following

categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions

for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: COAST GUARD: Commandant, United States Coast Guard, Attn: Jennifer Stomber, 2100 Second St., SW., Stop 7901, Washington, DC 20593-0001; (202) 475-5609; GSA: Mr. Gordon Creed, Acting Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets, NW., Washington, DC 20405; (202) 501-0084; INTERIOR: Mr. Michael Wright, Acquisition & Property Management, Department of the Interior, 1849 C Street, NW., Washington, DC 20240; (202) 208-5399; NAVY: Mr. Albert Johnson, Director of Real Estate, Department of the Navy, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave., SW., Suite 1000, Washington, DC 20374;

[Docket No. FR–5401–N–01]

Notice of Modifications to U.S. Commitments Under the World Trade Organization Government Procurement Agreement To Implement Section 1605 of the Recovery Act (Buy American Requirement) Applicable to Community Development Block Grant Recovery Funds

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

DATES: *Effective Date:* February 16, 2010 through September 30, 2011.

SUMMARY: The domestic purchasing requirement of section 1605(a) of the American Reinvestment and Recovery Act of 2009 (Recovery Act) will not be applied as a condition of Recovery Act financing in the Community Development Block Grants Recovery (CDBG–R) Program with respect to Canadian iron, steel, and manufactured products in procurement above

\$7,804,000 for construction services through September 30, 2011.

FOR FURTHER INFORMATION CONTACT: *For CDBG–R:* Stanley Gimont, Director, Office of Block Grant Assistance, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7286, Washington, DC 20410, telephone number 202–708–3587. Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at 800–877–8339. FAX inquiries may be sent to Mr. Gimont at 202–401–2044. Except for the “800” number, these telephone numbers are not toll-free.

SUPPLEMENTARY INFORMATION: The Recovery Act appropriated \$980 million out of the \$1 billion in CDBG–R funds to state and local governments to carry out eligible activities on an expedited basis. Section 1605(a) of the Recovery Act, the “Buy American” provision, states that for Recovery Act funds used for a project for the construction, alteration, maintenance, or repair of a public building or public work, all of the iron, steel, and manufactured goods used in the project must be produced in the United States. Interim final guidance (2 CFR Part 176) for implementing the Buy American provision was issued by the Office of Management and Budget (OMB) on April 23, 2009 at 74 **Federal Register** 18449, and applies to CDBG–R grants. HUD issued Buy American guidance in CPD Notice 2009–5, issued October 7, 2009, see http://portal.hud.gov/portal/page/portal/HUD/program_offices/administration/hudclips/notices/cpd. OMB is issuing Amendments of Interim Final Guidance to reflect changes with respect to U.S. international obligations.

Section 1605(d) of the Recovery Act provides that the Buy American requirement in section 1605 shall be applied in a manner consistent with U.S. obligations under international agreements. The OMB guidance provides that the Buy American requirement shall not be applied where the iron, steel, or manufactured goods used in the project are from a Party to an international agreement, listed in 2 CFR 176.90(b) and the recipient is required under an international agreement, described in the Appendix to subpart B of 2 CFR 176, to treat the goods and services of that Party the same as domestic goods and services. As of January 1, 2010, this obligation shall only apply to projects with an estimated value of \$7,804,000 or more and projects that are not specifically excluded from the application of those agreements. Based on the recently concluded
