Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene

again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed dockets(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Preventing Undue Discrimination and Preference in Transmission Service; Supplemental Notice of Technical Conferences

September 10, 2007.

On August 28, 2007, the Commission issued notices scheduling staff technical conferences in the above-captioned proceeding. As stated in the August 28 notice, these technical conferences will review and discuss the draft proposals regarding processes for transmission planning required by the "Order Extending Compliance Action Date and Establishing Technical Conferences" issued in this proceeding on July 27, 2007.¹ The Commission hereby provides

¹ PJM Interconnection, LLC, 120 FERC ¶ 61,169 (2007).

¹ *Preventing Undue Discrimination and Preference in Transmission Service*, 120 FERC ¶ 61,103 at P 2 & 5 (2007) (July 27 Order).

In the July 27 Order, the Commission extended until December 7, 2007 the date for transmission providers to submit an Attachment K to their Open Access Transmission Tariff incorporating the transmission planning principles and concepts adopted in Order No. 890. *Preventing Undue*

the following additional information and instruction regarding these conferences, including the hotel conference sites.

The attached agenda details the dates and times of the technical conferences and identifies the companies presenting their draft proposals, and the customer and industry groups to be represented in the stakeholder panels. To the extent a transmission provider is not listed or otherwise represented by a planning group as detailed on the attached agendas, it should contact the staff members listed below as soon as possible. In addition, each transmission provider should e-mail Commission staff with an electronic link to its draft proposal at

890Planning.attachK@ferc.gov as soon as such proposal is posted on the transmission provider's Web site. The Commission will provide access to links to all draft proposals in the OATT Reform section of the Commission's Web site at <http://www.ferc.gov/industries/electric/indus-act/oatt-reform/draft-attachment-k.asp>.

As provided for in the August 28 notice, those wishing to participate as a panelist and provide feedback on the draft proposals should submit a request form located at <https://www.ferc.gov/whats-new/registration/transmission-planning-speaker-form.asp> by the close of business on September 21, 2007 (Atlanta, GA conference), September 28, 2007 (Boston, MA conference), and October 5, 2007 (Denver, CO conference). In the event a transmission provider or interested party is uncertain as to which technical conference is relevant, such persons should contact staff in advance to discuss the matter.
