

G. Project reporting.

1. Grantees shall constantly monitor performance to ensure that time schedules are being met, projected work by time periods is being accomplished, and other performance objectives are being achieved.

2. SF-269, "Financial Status Report (short form)," and a project performance activity report will be required of all grantees on a quarterly basis, due 30 days after the end of each quarter.

3. A final project performance report will be required with the last SF-269 due 90 days after the end of the last quarter in which the project is completed. The final report may serve as the last quarterly report.

4. All grantees are to submit an original of each report to the National Office. The project performance reports should detail, in a narrative format, activities that have transpired for the specific time period.

H. The grantee will provide an audit report or financial statements in accordance with Uniform Audit Requirements for Federal Awards at 2 CFR part 200, subpart F.
