## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Administration for Children and Families

#### Submission for OMB Review; Comment Request

**Title:** The Evaluation and System Design for Career Pathways Programs: 2nd Generation of HPOG (HPOG Next Gen Design).

**OMB No.:** New Collection.

**Description:** The Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS) is proposing information collection activities as part of the Evaluation and System Design for Career Pathways Programs: 2nd Generation of Health Profession Opportunity Grants (HPOG Next Gen Design). The key goals of the HPOG Next Gen Design project are to establish a data system for program management and evaluation, and to design a study to assess the effectiveness of the new HPOG programs. The study also is intended to evaluate variation in participant impact that may be attributable to different HPOG program components. The impact study design will include a classic experiment in which eligible applicants for the non-Tribal HPOG program services will be randomly assigned to a treatment group offered participation in HPOG and a control group not offered the opportunity to enroll in HPOG. There will be a separate but coordinated evaluation of the HPOG Next Gen Tribal grantees. Both goals require collecting information from HPOG Next Gen grantees on a regular basis. The information collection proposed is an Internet-based collection of information from HPOG Next Gen grantees on: (1) Grantee program designs and offerings; (2) intake information on eligible
