Title: 46 CFR Part 540—Application for Certificate of Financial Responsibility/Form FMC-131.

OMB Approval Number: 3072-0012 (Expires May 31, 2020).

Abstract: Sections 2 and 3 of Public Law 89-777 (46 U.S.C. 44101-44106) require owners, charterers, or operators of passenger vessels with 50 or more passenger berths or stateroom accommodations and embarking passengers at United States ports and territories to establish their financial responsibility to meet liability incurred for death or injury to passengers and other persons, and to indemnify passengers in the event of nonperformance of transportation. The Commission's regulations at 46 CFR part 540 implement Public Law 89-777 and specify financial responsibility coverage requirements for such owners, charterers, or operators.

Current Actions: There are changes to this information collection, and it is being submitted for extension and approval of changes. Twelve fields have been eliminated due to being captured on the financial instrument and we have reduced several questions regarding financial responsibility into two questions. Our intent is to make the form more intuitive and easier to use and understand. Additionally, information collected in a data format, as opposed to receiving this information in a narrative format, will assist us in analyzing the submissions.

Type of Review: Extension with changes.

Needs and Uses: The information will be used by the Commission's staff to ensure that passenger vessel owners, charterers, and operators have evidenced financial responsibility to indemnify passengers and others in the event of nonperformance or casualty.

Frequency: This information is collected when applicants apply for a certificate or when existing certificants change any information in their application forms.

Affected Public Who Will Be Asked or Required to Respond: Respondents are owners, charterers, or operators of passenger vessels with 50 or more passenger berths that embark passengers from U.S. ports or territories.

Number of Annual Respondents: The Commission estimates the total number of respondents at 52 annually.

Estimated Time per Response: The time per response ranges from 0.5 to 8 hours for reporting and recordkeeping requirements contained in the regulations, and 8 hours for completing Application Form FMC-131.

Total Annual Burden: The Commission estimates the total burden at 1,233 hours per year.

Rachel Dickon,
Secretary.
